Ike, GOP Leaders To Give Farm Program Priority In '56 Congress

WASHINGTON (AP)—President Eisenhower and his Republican leadership agreed Monday to give top priority in the next Congress to a farm program. The White House said the Republicans expect the program to "win widespread support" from farmers and farm organizations throughout the country.

This was one of the highlights of an all day session of White House conferences lasting 8½ hours.

New programs for federal aid to school and highway construction were also listed as underscored parts of the planning.

President Eisenhower, under doctor's orders to slow down the pace of his activities, put in nearly a seven-hour day.

This included participation in long stretches of the conference with Republican leaders of Congress, work at his desk and an hour-long reception for the visiting President of Uruguay, Luis Battle Berres.

He did, however, take the prescribed 2½-hour period in midday for lunch and rest, including a nap.

The holding of the conference was accompanied by a new batch of statements from Republican leaders expressing confidence that Eisenhower will seek reelection next year. Reps. Martin of Massachusetts, Halleck of Indiana and Arends of Illinois, all House GOP leaders, were among those taking that view.

Sen. Knowland of California, the Senate Republican leader, who has been advocating an early announcement by the President of his intentions, said politics was not brought up at either the four-hour morning session or the 4½-hour afternoon meeting.

The morning session brought renewed expressions of hope from the administration that the budget will be balanced by next June without any hurtful cuts in the military and defense programs.

Martin said prospects of a tax cut were discussed but:

"We've got to find where we stand at the end of this fiscal year before reaching a decision."

"We want to know if we are going to have a balanced budget." The farm issue, one of the most troublesome for the administration, was dealt with at length, with embattled Secretary of Agriculture Benson outlining his suggestions for a program.

While the Republicans gathered at the White House for an advance look at the program Eisenhower will submit to Congress next month, there were these related developments:

1. Sen. Lyndon B. Johnson of Texas, the Democratic Senate leader, predicted the election year session ahead will be "effective and generally productive." He said he expected that major issues would find the Democrats with a "reasonable amount of unity."

2. Sen. George (D-Ga) said he looked for an income tax cut aggregating up to 3½ billion dollars. He said he favors first of all an increase in the personal tax exemption from \$600 to \$700.

3. Reps. Halleck of Indiana and Arends of Illinois, Republican leaders in the House, both reported after seeing Eisenhower in action Monday they are convinced he will again be the GOP presidential candidate in 1956.

Democratic Sen. Johnson, who also suffered a heart attack last summer, said he hoped Eisenhower's recovery from his Sept. 24 attack "is such that he could be a candidate if he chooses to be."

While nothing was said in the official White House sum-up of Monday's meeting about chances for a tax cut, some of those present said Eisenhower seemed to be taking the attitude that there first must be an actual balance—not just the prospect of one—in federal income and outgo.

ARGENTINA WARNS SPECULATORS

BUENOS AIRES, Argentina (AP)—The provisional government, seeking to keep Argentina's economy stable, has warned business speculators they will be dealt with harshly if they raise prices too much. Authorities announced such activity will be considered a violation of the state of siege in force since the September revolution overthrew Juan D. Peron.

AFBF Head Advises Politicians Not To Vie For Votes Of Farmers

CHICAGO (AP)—Leaders of the American Farm Bureau Federation Monday advised political parties against taking the "highest bidder" approach to voters down on the farm.

Charles B. Shuman, president of the organization, said he would "like to see both parties remove the level of a price support" from the farm planks of their platforms.

He said vying "to see who could promise the highest level" could have "dangerous" results for agriculture. He told newsmen that carrying out any promise of farm price supports at a "high, fixed" level could result in "prices going down and surpluses continuing to accumulate."

Roger Fleming, secretary-treasurer of the federation, said there is nothing in political history since 1947 "to substantiate the assumption that farmers and ranchers will give up their birthright of freedom to the highest bidder."

Shuman and Fleming appeared at a news conference at the federation's annual meeting. The delegates are expected to reaffirm their favor for flexible price supports.

The flexible system went into effect with this year's crops. It allows support prices to fall as low as 75 per cent of parity on basic crops. During the Truman administration price supports were fixed at 90 per cent of parity—a standard designed to put the farmer in a good position in relation to his costs and prices.

The Eisenhower administration is standing by the flexible program, and is planning fresh moves to aid agriculture. The Democratic party's Farm Advisory Committee has recommended a return to the 90 per cent support levels.

Shuman said the flexible system has "not had a very good chance to operate" because of commodity surpluses on hand.

He also said the slump in farm prices was caused by "attempts to fix prices politically." Shuman expressed the opinion that farmers don't "vote as a class" or "according to their pocketbooks" any more than any other citizens. He said a growing number of farmers are independent politically.

He said Ezra Benson, secretary of agriculture, is "doing as good a job as anybody could under the circumstances." He added: "He made mistakes and the administration made mistakes but they have been honest mistakes. I think the administration has the best interests of the farmers at heart."

Eden said Monday night the Arab-Israeli dispute is charged with "the utmost danger." He said the United States and Britain are agreed on the urgency of working for a settlement.

Eden spoke in a parliamentary debate on the Middle East. He diverted briefly to hit back at accusations hurled at Britain by Communist leaders Nikita S. Khrushchev and Nikolai Bulganin during their Asian tour. He said the accusations were fantastic.

"While we are ready at all times for discussion (with the Russians)," Eden said, "abuse of our friends only strengthens our loyalty and abuse of ourselves only strengthens our determination."

Eden reaffirmed Britain's adherence to the 1950 pact with France and the United States aimed at keeping peace in the Middle East. He continued:

"We are ready to carry out jointly with our allies any action necessary to assist Israel if she were attacked, or assist an Arab country if attacked by Israel."

Ingredient Of Hydrogen Bomb Offers Possibilities For Emergency Illumination

CLEVELAND (AP)—One of the ingredients of the hydrogen bomb offers possibilities for emergency illumination in public buildings and other places, a nuclear science and engineering congress was told Monday.

An official of the U.S. Atomic Corp. said that tritium, an H-bomb material, and a variety of other man-made radioactive substances show promise of providing a new and improved method of furnishing "self-luminous" illumination.

That's the same kind of lighting that has long been used in radium dial wrist watches, enabling a person to see the dial in the dark. Atomic rays from the radium activate a so-called phosphorescent material which "glows" continuously.

C. W. Wallhausen said that tritium and certain other substances offer an improved means of activating such phosphorescent materials for application in such things as "safety markings" in public buildings, commercial aircraft, mines "and many other areas where electrical failure may occur, or where other sources of illumination are not available or may not be desirable."

They've also been successfully used experimentally in such applications as markers for ship channel buoys, in signalling equipment for use in life rafts, and for "low-level general illumination," he said.

He told the congress—sponsored by 26 American scientific and engineering societies—that while radium and certain other radioactive

materials of its general class also have been employed for some of these uses, they are more costly to use and have certain other disadvantages compared with the class of radioactive materials now undergoing intensive study.

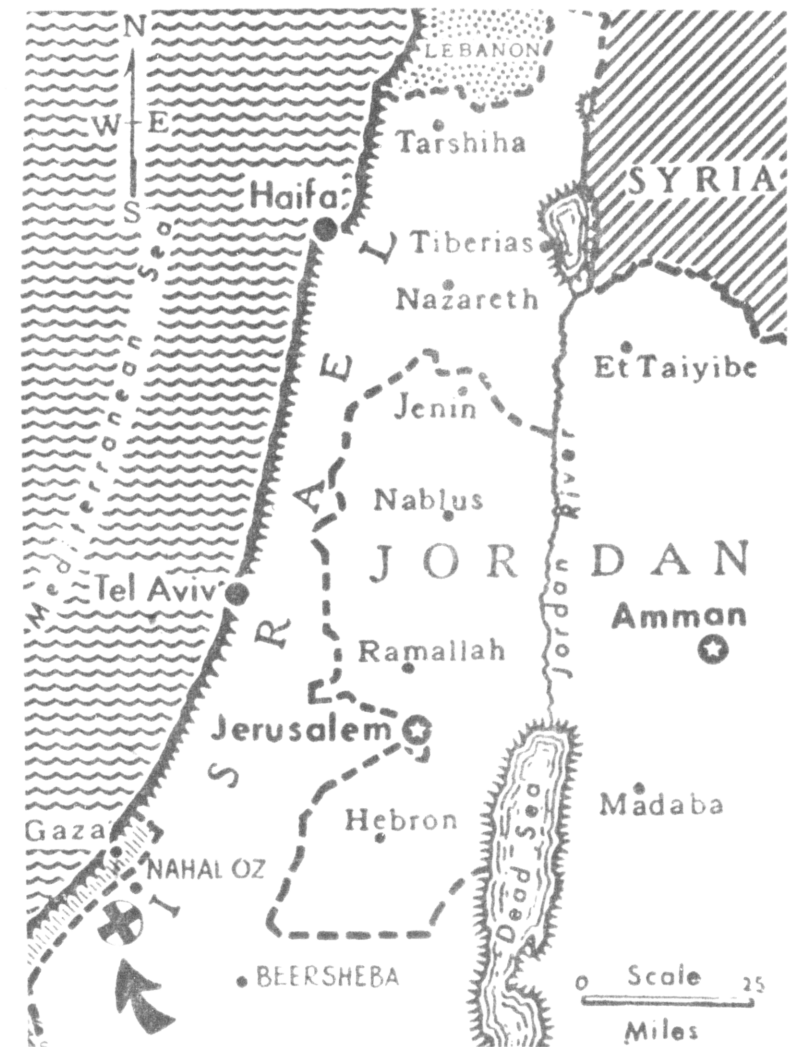

The technical difference between the two classes of radioactive materials, he explained, is in the type of "ray" they predominantly emit. Materials like radium are essentially alpha ray emitters; while those like tritium principally give off beta rays.

He said the "beta" substances, unlike the "alphas," appear to have no deteriorating effect on the self-luminous chemicals with which they are employed — thus potentially extending the useful life of these chemicals "from a matter of weeks or months to years."

Jet Explodes; Pilot Is Killed

MOSES LAKE, Wash. (AP)—A jet fighter plane loaded with rockets apparently exploded at between 20,000 and 30,000 feet Monday, then crashed in a field. The pilot was killed.

Col. W. P. Hippler, executive officer at Larson Air Force Base, said the plane was on a routine training mission. The pilot's body was found about a mile from the main wreckage. His name was withheld pending notification of next of kin.

Israel, Arab Forces Renew Border Raids

JERUSALEM (AP)—U. N. truce observers hastened to the Syrian border Monday to investigate the latest crisis in the warring peace between Israel and her Arab neighbors.

Israeli forces attacked four Syrian fortified posts overlooking the northeastern shore of the Sea of Galilee Sunday night and by Israeli account blew up the positions before retiring to their base after an all-night battle.

Reports on killed and wounded differed. Israeli sources said 55 Syrians were killed and 29 captured, against Israeli losses of 4 killed and 12 wounded. A Syrian army spokesman in Damascus said Syria's losses were 25 killed and 28 missing. The Damascus radio declared 100 Israeli soldiers were killed and wounded in the battle.

Syrian spokesmen described the action as a surprise assault by commando units and two infantry brigades which were backed up by tanks, artillery and armored boats firing from the Sea of Galilee.

The four posts fell, the Syrians admitted, after four hours of fighting, but they said the Israelis were forced to withdraw after three hours when they attempted to seize heights behind the posts.

The Israelis said the attack was a punitive raid to silence Syrian guns which have been harassing Israeli fishing boats on the sea. A four-pronged assault was launched on an eight-mile front, they said, from the north where the Jordan flows into the sea and in the Kursi Naqur and Beth Habeb sectors. The attacking units were aided by others which moved to block off Syrian reinforcements.

Later an Israeli Foreign Office spokesman commented: "Quiet reigns on the Sea of Galilee this morning. Israeli fishermen set out to cast their nets as usual. The Syrian batteries which for so long and so often attacked Galilee's peaceful fishermen have been silenced. If the Syrians keep quiet, the Sea of Galilee will remain quiet."

Israel claims all of the Sea of Galilee, which is 13 miles long and 3 to 7 miles wide. Israeli territory, including a narrow strip half way up the east side from the south-east corner, forms three-fourths of it. (Continued On Page Nine)

Home Mortgage Credits Eased

WASHINGTON (AP)—The government Monday announced a further slight easing on home mortgage credits.

The Federal Home Loan Board issued new rules establishing "standby credit" for savings and loan associations under which the latter may increase their borrowings from the bank to finance new housing construction.

Each member association may borrow an amount equivalent to 5 per cent of the total of withdrawable savings deposits held by it, the board said. However, the total borrowings, both old and new, may not exceed 10 per cent of such savings accounts.

Theoretically this sets up a potential credit for the 4,317 federal savings and loan associations totaling more than a billion dollars; actually, many associations are not expected to use the standby credit.

Walter W. McAllister, board chairman, said the new policy relaxes somewhat the restrictions imposed last July, when terms were tightened on new home mortgages insured or guaranteed by the government, and in September, when the board shut down on loans which would have expanded housing credit. The latter restraint was eased a trifle later in the fall.

Forecast for Jacksonville and vicinity: Partly cloudy and warmer with increasing southerly winds Tuesday, Wednesday partly cloudy and windy and colder with snow flurries. High Tuesday mid 40s, low Tuesday night 35. High Wednesday upper 30s in the morning falling during the day.

W. Berlin Police Beat Off Rioting East German Reds

BERLIN (AP)—A throng of East German Communists took a beating from the clubs and water cannon of West Berlin police Monday night in a riot that stemmed from a Red march on a French sector beer hall.

A tightly organized company of 250 of the riot police turned back the invaders—estimated to number more than 1,500—after an hour-long fight and arrested 373.

Eight women were among the prisoners. The Communists braved 28-degree weather and the riot cannons' icy water, which froze almost as soon as it hit, for a demonstration against the Stahlhelm (Steel Helmet), a World War II veterans' organization which they call Fascist and militaristic.

They headed for Bober's Tavern, where a local chapter of the Stahlhelm recently scheduled a rally for Monday night. Earlier Communist threats had frightened the tavern owner, however, and it was announced several days ago that this rally had been cancelled.

But the Communists marched anyway. Dozens of heads were clubbed. But there were no reports of serious injuries to any of the demonstrators. Two policemen were injured and taken to a hospital for first aid treatment.

The melee spread over nearly a square mile of town.

Recommend Pay Raise For 750,000 Railroad Employees

WASHINGTON (AP)—A fact-finding report filed at the White House Monday recommended a quarter-billion dollar annual boost in wages and health benefits for 750,000 non-operating employees of the nation's railroads.

The report, submitted by an emergency board named by President Eisenhower, said the employees should get a 14½-cent hourly pay increase, plus an added 2 cents per hour payment toward their health and welfare plan.

The 16½-cent an hour increase compares with 10½ cents an hour offered by the carriers and a 27-cent an hour increase sought by the dozen rail labor unions involved.

The board recommendations are not binding on either side, but such suggestions usually form a settlement basis.

The workers involved are telegraphers, clerks and others who do not actually operate the trains. They presently average \$1.78 per hour.

The emergency board recommended that the 14½-cent per hour pay boost be effective as of Dec. 1. It suggested the additional welfare financing become effective next March 1.

TENNESON ARRIVES IN HONG KONG

HONG KONG (Tuesday) (AP)—Richard Roger Tenneson, 22, of Alden, Minn., a turncoat GI who refused repatriation by the Communists after the Korean War, crossed from Red China into this British crown colony Tuesday.

Richard Tomlin of the American Red Cross, a U.S. consular representative and an officer of the British border police were on hand to receive him.

WARSAW, BELGRADE AIR SERVICE

BELGRADE, Yugoslavia (AP)—Yugoslavia and Poland signed an agreement Sunday to open regular air service between Warsaw and Belgrade Jan. 14.

MacMurray And I.C., Two Local Hospitals To Share Ford Fund

It was announced Monday evening that the two colleges and the two hospitals located in Jacksonville would share Ford Foundation grants totaling slightly more than a third of a million dollars.

Money to the two colleges, it was understood, will be in the form of an endowment which must be matched by the two institutions with the interest to be used solely for increased teachers' salaries during the next 10 years. Hospitals, however, will be permitted to spend the entire sum as needed.

The grants made to the local institutions were included in the half-billion dollar allocations announced Monday by the Ford Foundation.

Funds earmarked for this area included: MacMurray College, \$152,500. Illinois College, \$75,300. Passavant Memorial hospital, \$54,600. Our Saviour's hospital, \$51,800.

The half-billion dollars set aside for liberal arts and science colleges and hospitals represents only a fifth or a sixth of the Ford Foundation's assets, estimated on the basis of the forthcoming sale of Ford Motor company stock.

Within 18 Months

The grants announced Monday will be paid in cash within 18 months. At least half is to be received by each institution by next July 1, the balance before July 1, 1957.

It was learned that the foundation plans to use both income in that period and to whatever extent necessary, principal, to keep its promises.

Hospitals will be permitted to spend the entire sum as needed. The faculty salary grants will be in the form of endowments, and only income may be used for 10 years. Then the institutions will be able to dip into principal if they wish.

The income in the first 10 years must be used to raise teacher pay. After that it can be used for any purpose. There is no restriction on use of the principal.

On "Match" Basis

MacMurray College officials said last night that they understood the grant to be on a "match" basis, that is, the college will provide a like sum before the Foundation releases the money as endowment.

The \$152,500 will draw interest and the sum provided by the college will likewise draw interest, which will apply to salary increases only.

The Associated Press, however, said later last night that the committee decided not to require that recipient schools find a sum matching what they will get from the foundation.

Said Dr. Louis W. Norris, president of MacMurray College: "This generous grant comes at a strategic time in the development of MacMurray College. It is evidence of appreciation for other fundraising efforts which the college has made and which the Ford Foundation presupposed in making its decision."

"The fact that MacMurray College has received \$156,025 to date from its current development program, in cash and pledges, in the last one and a half years has been a significant factor in the decision by the Ford Foundation to favor MacMurray College."

"It is also," the president added, "a vote of confidence in MacMurray's new program."

College For Men

MacMurray College Board of Trustees on Oct. 7, 1955 voted unanimously to establish within the very near future in Jacksonville a college for men which will be located adjacent to the present campus for women. The Ford Foundation grant comes at a time when a new campus area is to be beautified and developed for new buildings and general campus improvement.

Dean Ernest G. Hildner, acting president of Illinois College, said that the telegram he received from the Foundation Monday stated that a grant was being made the college. (Continued On Page Nine)

Tests Show Sodium Fluoride In Drinking Water Effective Way To Cut Tooth Decay

NEW YORK (AP)—A 10-year human test shows that adding sodium fluoride to drinking water is a "safe and effective" way of sharply reducing tooth decay in children, health leaders declared Monday night.

They said it reduced decay and tooth loss by nearly 60 per cent, without any harm to children. The "effectiveness and safety" are the prime findings from the famous Newburgh-Kingston study of tooth decay and fluoridation of water, said Dr. Herman E. Hilleboe, New York State health commissioner.

The town of Newburgh, N.Y., 10 years ago began adding a little sodium fluoride to its public water, while Kingston, a nearby town of equal size, did not.

A final comprehensive report on this scientific test was presented by Dr. Hilleboe and other health experts at a conference of the New York Institute of Clinical Oral Pathology.

Highlights of these reports: The study "has demonstrated beyond question of a doubt the effectiveness and the safety of water fluoridation as a public health procedure," said Dr. Hilleboe.

After 10 years, children in Newburgh aged 6 to 9 have 58 per cent less tooth decay and missing teeth than Kingston youngsters of the same ages.

The study finds 52 to 53 per cent less decay, missing and filled teeth among Newburgh children who now are 10 to 12 years old. It finds 48 per cent less among children aged 13 to 14 and 41 per cent less among 16-year-olds, whose first permanent molars were erupting when fluoridation began.

"There was no evidence of any disfiguring mottled enamel among the Newburgh children" and no evidence that fluoridated water contributed to gum inflammation or gingivitis, said Dr. David B. Ast, director of the state's bureau of dental health.

From careful physical exams and X-rays of the same children in both cities 10 years ago and now, "no differences of medical significance could be found" between Newburgh and Kingston children, reported Dr. Edward R. Schlesinger, associate director of medical services.

He said there were no effects from fluoridation on children's growth, weight and height; no changes in their bones, in blood composition, urinalysis, vision or hearing.

Editorial Comment

U.S. PLANES FLYING HIGH

The first concrete sign that America is likely to carry its long domination of world commercial plane manufacture into the jet age has come with the announcement by KLM, the Dutch airline, that it will buy eight Douglas DC-8's for its transatlantic service.

It seems especially fitting that KLM should lead foreign carriers in the ordering of jets from an American source. It is the world's oldest airline and today carries passengers and freight over international routes linking 68 countries and 106 cities.

KLM officials say theirs is the only airline which has operated all types of Douglas commercial aircraft, beginning with the DC-2 in 1934. They have not hesitated to rely heavily on American sources for the equipment needed to maintain their far-flung services.

With DC-8's promised for March, 1960 delivery, KLM will cut its New York-Amsterdam run from 13 hours to 6½ hours eastbound, and to 8½ hours westbound.

The Dutch airline merits praise for moving swiftly to get into the jet picture. And U. S. planemakers deserve another pat for taking the next bite in the international market.

TRUTH'S CHAINS BROKEN

For more than four years the strong, clear voice of one of the world's great free newspapers has gone unheard, and in its place the tinny, hollow tones of the petty dictator have sounded.

But this unhappy silence is over now and La Prensa, a fabled institution in Buenos Aires, is by decree of the new Argentine government back once more in the hands of its courageous publisher, Alberto Gainza Paz.

Argentina's deposed dictator, Juan Peron, seized La Prensa because he could not feel secure in his minor league tyranny so long as it was free to speak the truth. Most newspapers which suffer such a fate never are restored to their old-time influence.

In this instance, however, we may hope for better things. Gainza Paz has lived for this moment, and is dedicated to making La Prensa once again the ringing voice of liberty, a rallying point for free men everywhere.

When freedom regains so firm a champion, it is a triumph equal in meaning to the making of alliances and the devising of new defenses. For truth is always liberty's greatest weapon, and the free world can ill spare a newspaper like La Prensa.

In Hollywood

By BOB THOMAS

HOLLYWOOD — Frank Sinatra marks his 40th year today at the peak of his fabulous career.

And judging from his future plans, he'll be aiming for even greater heights — and perhaps an appearance behind the Iron Curtain. Nothing has seemed impossible to Sinatra in his first two score of years. He is now working on plans that extend to 1960.

One of his pet projects is an international goodwill tour. "I've been wanting to do this for a long time," he said between scenes of his first independent production — and first western, "Johnny Concho." "I'm trying to arrange it now so I'll have three weeks off between my next two pictures."

"I'd like to go out with two typically American stars—a name they all recognize like Gary Cooper and a girl like Marilyn Monroe. We'd put on a show in each of the world capitals for the benefit of children in that country. If it can be arranged, I'd like to do it in Moscow, too."

"The tour could be set up through variety clubs, which have branches in foreign countries now. For instance, I understand Nehru is an honorary member in India, and

perhaps that would help in making arrangements.

"I think such a tour could do a great amount of good in promoting friendship for the United States."

He figures to end the trip in Bombay and then go directly to Spain, where he'll make Stanley Kramer's "The Pride and the Passion" with Cary Grant.

Sinatra, who is in the Oscar running again with "The Man With the Golden Arm," returns from Spain next summer for a three months' rest.

BARBS

By HAL COCHRAN

A kiss often destroys germs, according to a doctor. Maybe it shocks 'em to death.

You can be glad the touring season is over. No more maps to fold and unfold.

Marriage often leads to friend hubby finding out what marvelous men the wife used to go out with.

A Missouri man reported to police that his pocket had been picked. Then his wife confessed.

Statistics show that a rubber tire is stolen every few minutes in this state. The culprits should get longer stretches.

Boyle's Column

By HAL BOYLE

NEW YORK — When your television set goes blooey, what do you do while you're waiting for the repair man to come and fix it? Do you get cross and upset? Do you fuss and fume over the wasted hours — precious hours you could be spending deep in a coma watching your favorite video shows?

Well, why not protect yourself against these tragic lulls in living? Why not buy yourself a book, and sit down and read it? What if it does make your lips tired? You probably could use a little more exercise.

Now don't say "I've already got a book." Every home that yearns for a two-car garage ought to have room for two books, too. You can find space for the extra one somewhere.

As a matter of fact, why not really surprise a friend this year and send him a book for a Christmas present? He'll talk about it for days and days.

To help you pick the right one, we have made up a list of suggested Christmas books for folks you've heard about. And so, kiddies, here we go — all in fun.

"A Charmed Life" — President Eisenhower.

"Beyond Desire" — Winston Churchill.

"So Near and Yet So Far" — Adlai Stevenson.

"The Frontier Years" — Sophie Tucker.

"The Smiling Rebel" — Sen. Estes Kefauver.

"A Man Called Peter" — Princess Margaret Rose.

"How Far the Promised Land?" — Carmine DeSapio.

"The Power of Positive Thinking" — The governor of New York.

"A Slight Sense of Outrage" — the governor of Georgia.

"Run Silent, Run Deep" — The governors of Ohio and Michigan.

"Meet Mister Eisenhower" — Mrs. Eisenhower.

"No Man Is an Island" — Mail me a copy.

"The Dawn of Personality" — Fred Allen.

"A Good Man Is Hard to Find" — Mae West.

"A Good Man Is Hard to Find" — Chorus repeated by Leonard Hall, Republican national chairman.

"These Lovers Flew Away" — Tommy Manville.

"Personal Power Through Creative Selling" — Dr. Norman Vincent Peale.

"How to Live 365 Days a Year" — Your favorite insurance salesman (and John Wayne).

"Why Johnny Can't Read" — Johnny.

"The Gods Were Kind" — The Brooklyn Dodgers.

"We Loved Them Once" — The New York Yankees.

"Somebody Up There Likes Me" — Harry S. Truman.

"The Joker Is Wild" — Milton Berle.

"Heritage" — Bobo Rockefeller.

"Rug Hooking Made Easy" — Willie Sutton.

"Cards of Identity" — J. Edgar Hoover.

"Living on the Level" — Lucky Luciano.

"The Passionate Pilgrim" — Ava Gardner.

"The Open Mind" — Sen. Joseph McCarthy.

"Behind the Picture Window" — Molotov.

"The Merry Partners" — Bulganin and Khrushchev (have tux will travel).

"The Liberal Tradition in America" — "The nearest bill collector to you."

"All Through the Night" — Your noisy neighbors.

"I Love Her, That's Why" — your favorite wife.

"The Prophet" — Any wife.

"A Wife Is Many Women" — Your favorite husband.

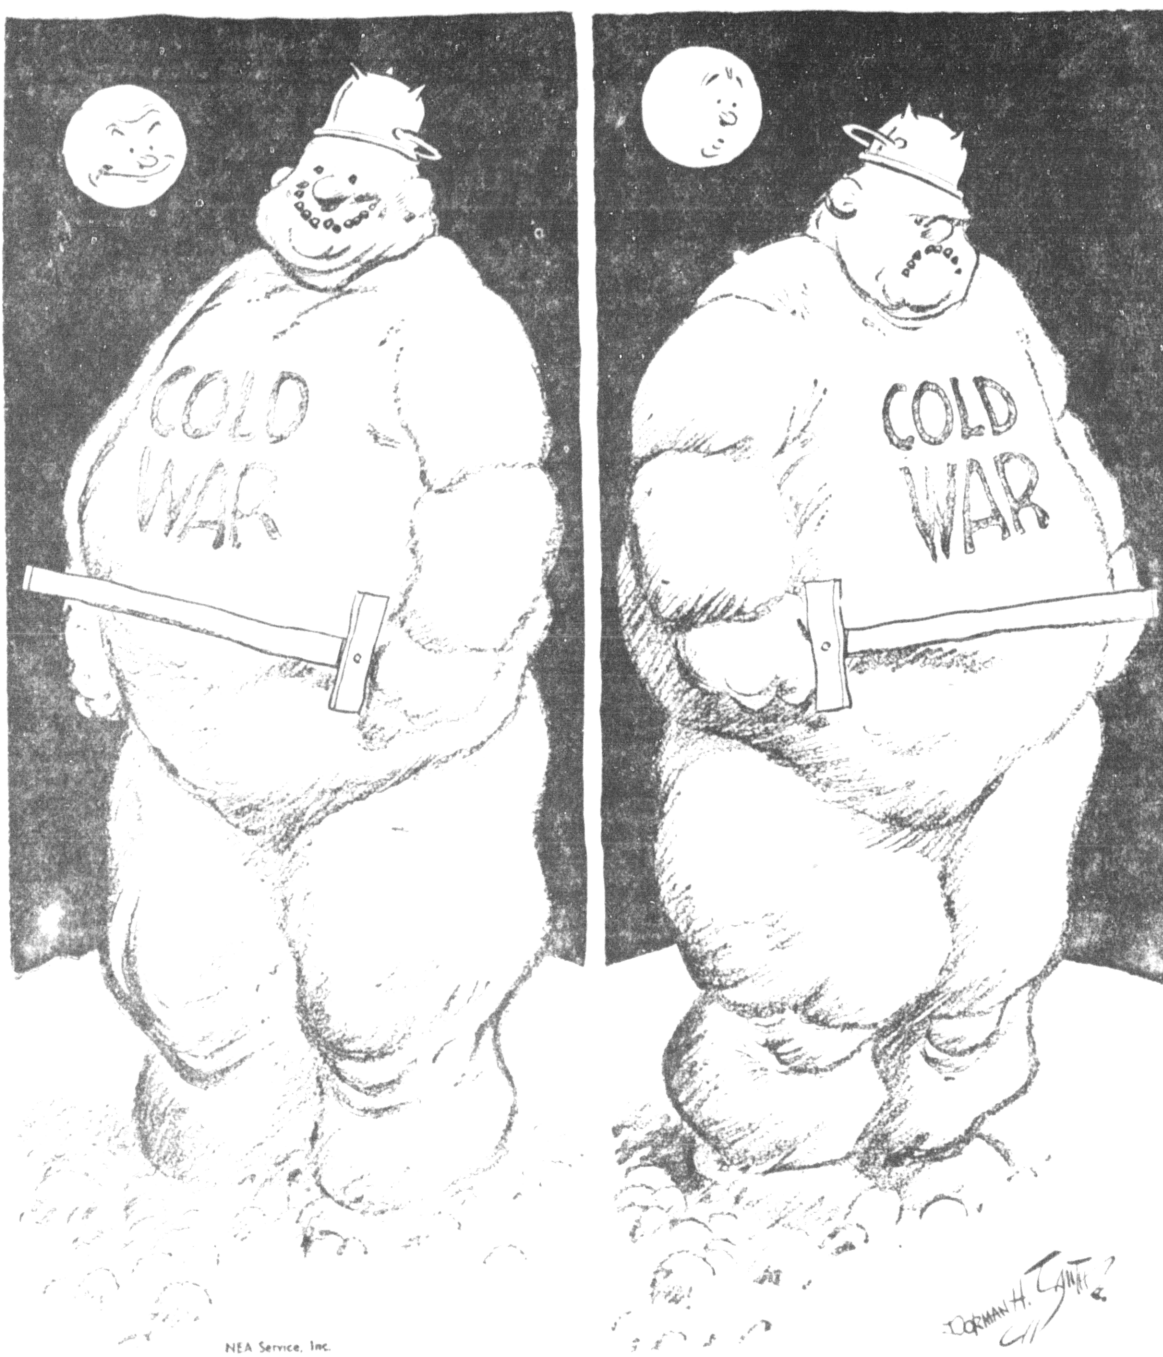

"The Persistent Image" — Any visiting relative.

"The Long Ride Home" — Your favorite bus driver.

"Nothing Too Good for a Cowboy" — The jockey in any cab you ride.

"The Call to Honour" — One for the road alone.

Strawberries in Souffle Gala Christmas Dessert

BY GAYNOR MADDOX

NEA Food and Markets Reporter

A lighted tree, warmth of holly and sprigs of mistletoe, plus festive food—that's the Christmas plan at the Treadway Inn at Rochester, N. Y. Our old friend, J. Frank Birdsell, innkeeper of this country inn in the city has let us in on some of the holiday recipes.

Here are two—and happy Christmas eating to you all:

Souffle Glace (Yields 8 servings)

One cup milk, 1 cup light cream, 1 one-inch stick vanilla bean or 1 teaspoon vanilla extract, ½ cup sugar, 2 cups heavy cream whipped, 1 pint strawberries, sweetened, 2 to 4 tablespoons kirsch, if desired, 4 egg yolks.

Fold waxed or glazed paper lengthwise, tie around top of quart souffle dish to make 3-inch standing rim. Remove ends of tall slender can and stand in center of mold. Place dish in freezer, turn control to fast freezing. Scald milk and cream with vanilla bean in double boiler. (Extract is used later.) Beat yolks, sugar, until thick and light. Add to milk, stirring. Cook over simmering water, stirring until custard is thick. Strain through fine sieve, cool quickly, chill. Add vanilla extract, if used, and fold in whipped cream. Turn into prepared mold, cover with paper, freeze until firm. To serve, remove paper collar and can and fill center with strawberries, flavored with kirsch if desired.

Boneless Roast Half Rock
Cornish Game Hen

Remove meat from carcass of one game hen, generally done by butcher. Cut boned hen lengthwise in half to make two servings. Lay boned hen, skin down, on board.

Form stuffing by hand into round ball of 2½ inches in diameter. Place in center of each half of boned game hen. To shape, wrap edges around ball of stuffing. To roast: Dice fine 2 medium stalks of celery, 1 small carrot, 1 small onion. Mix together and cover bottom of roasting pan. Pie plate can be used. Brush bird lightly with butter and roast in oven at 350 degrees F. (moderate) for approximately 2 hours or until done.

CHRISTMAS DINNER: Oyster soup, crackers, boneless roasted Rock Cornish Game Hen with wild rice stuffing (or brown rice), cranberry-orange dressing, shoe-string potatoes, puree of chestnuts, small peas mixed with diced onions, assorted breads, butter or margarine, green salad, souffle glace with fresh or frozen strawberries, coffee, tea, milk, nuts and raisins.

THOUGHTS

MONDAY

Him God raised up the third day, and showed him openly. — Acts 10:40.

The resurrection of Jesus Christ is a certainty. If any fact, not merely of Christianity, but of history, stands on an impregnable foundation, this does.—E. P. Goodwin, D. D.

A Glance Into The Past

10 YEARS AGO

Lieut. Gerald Arch Vasconcellos was given his honorable discharge from the U. S. Army Airforce.

Morgan county got its heaviest snowfall of the winter. Jacksonville received \$2,735 as its share of the state motor fuel tax for November.

Mrs. C. R. W. Frost was installed worthy matron of the Winchester Order of Eastern Star.

20 YEARS AGO

Farm Bureau Township elections were completed.

A school for crippled children was established in Jacksonville with Miss Josephine Milligan as teacher.

The Morgan County Farm Bureau membership was 1,107.

Morgan county farmers received \$305,101 from the United States crop program.

50 YEARS AGO

With the discontinuance of the night train from the east the bulk of the trade that went to Jacksonville from Mercedosa was going to Quincy and Mt. Sterling.

Luther Wiley suspended his barber business in Alexander. The village evidently was too small to keep two barber shops.

George Coin of Merritt had 20 acres of corn that averaged 82 bushels to the acre.

Frank Kaiser purchased 17 acres of land near Alexander from W. H. Henrichsen for \$160 an acre.

SO THEY SAY

Not at all. I don't care who runs. The Democrats are going to win in any event because the Republicans have just about ruined the country and the government.

Former President Truman to newsmen, who asked if he was disturbed about possibility of Ike running in '56.

The spirit we had in 1924 is still alive. I don't think we'd have had any trouble at all (in 1955-brand football).

Elmer Layden, one of football's immortal Four Horsemen.

Never slam the door—and never yield to any extravagant Communist demands.

England's Prime Minister Anthony Eden calls for a policy of patient firmness in dealing with Reds.

They (Russia) are developing intercontinental missiles designed to fly at thousands of miles an hour to plunge down on targets with atomic fury.

For walking while intoxicated, he was fined \$19.50.

FINE WALK

SWEETWATER, Tex. (AP)—Fellow arrested in a pasture near here told police he'd consumed a half gallon of wine while walking from Odessa, 126 miles to the west.

For walking while intoxicated, he was fined \$19.50.

lot of blondes are a cross to be a brunette and a drab store.

★ EDSON IN WASHINGTON ★

Experts See Few Changes Ahead in Labor Scene

By PETER EDSON

NEA Washington Correspondent

WASHINGTON —(NEA)—Merger of American Federation of Labor and Congress of Industrial Organizations isn't going to make a great deal of difference in the immediate future. This is the consensus of leading Washington labor relations consultants inside and outside government.

Oratory emerging from the convention in New York may give the impression this is the greatest thing that ever happened.

Employers and some Republican politicians are inclined to view it as the most terrible thing that ever happened.

They point with alarm to AFL-CIO President George Meany's recent statement: "The scene of battle is no longer the company plant or picket line. It has moved into the halls of Congress and state legislatures."

William L. Barton, general counsel of the U. S. Chamber of Commerce, says: "It could lead to government by labor unions." The next two decades could undermine if not destroy the American free enterprise system."

Contrast this with John L. Lewis' terse statement that the new merger constitutes "a rope of sand."

CALMER ANALYSES DISCOUNT all three of these extremists' views. It is pointed out that day-to-day labor relations will be conducted across the same old bargaining tables and in grievance committees with the same faces.

Any new labor crises are expected to come only from organizing new unions in established or new plants. Such organizing drives have always been a headache. Any big new merged organizing drive takes time to mount and money to keep going.

One Washington labor consultant's view is that under the new

setup an employer will have less opportunity to change unions in his plant if he or his employees have trouble with officers of the existing local.

ANOTHER LABOR EXPERT believes there may be fewer National Labor Relations Board elections to determine which of two, three or even four unions shall be the bargaining agent. He thinks future elections will be a choice between one union or no union at all.

NLRB Member Philip Ray Rodgers questions both views. He thinks there may be even more NLRB elections.

NLRB's own figures show there has been a 20 per cent increase in the number of applications for elections in the past year. This has been the result of jockeying by both employers and unions. They have been trying to get the best possible position before the merger.

ELDER STATESMEN in the union movement now like to boast that Labor (capital L) has now grown up, is more responsible, is anxious to eliminate jurisdictional disputes and other monkey business that has given it a bad name.

They point to the merger's no-raiding agreement.

To the extent that jurisdictional strikes and raiding are eliminated, the merger could mean greater labor peace. But there is no assurance that's ahead.

Top labor union officials will admit privately that it may take 20 years to work out all internal problems.

In the meantime, George Meany, Walter Reuther and their associated new breed of labor tycoon have one of the largest public relations jobs in history. This is to convince the American people that the merger is in the public interest, and that what's good for General Labor is good for the country.

★ DR. JORDAN SAYS ★

Accidents Are Big Threat To Health of Children

By EDWIN P. JORDAN, M. D.

Written for NEA Service

According to an article in one of the leading medical journals not long ago, "accidents have become the leading cause of death among children over one year of age. . . . One of the commonest, though not most fatal, types of poisoning among young children is caused by the consumption of petroleum oils, principally kerosene."

The bulletin of a large life insurance company says that about 6,000 deaths occur each year in the United States alone from accidents among children between the ages of 5 and 14. "Accident prevention," the bulletin goes on, "constitutes the broadest single area for life conservation among children of elementary school age."

AMONG CHILDREN from 1 to 4 years of age about 5,500 deaths or ¼ of all those which occur in children of these ages in the United States and Canada, happen each year as the results of accidents of one kind or another. The picture is really appalling since most accidents in small children could be prevented and we should guard these tots more carefully against the dangers of accidental death or severe injury.

One particularly heart-rending type of injury to small children is that which results when they get hold of some poison in a bottle in the medicine cabinet or elsewhere and try to drink it. If poisonous liquids, including kerosene, or solids MUST be kept around the house they should always be placed beyond the possible reach of the curious youngsters.

IF A CHILD does swallow poison, vomiting should be brought about at once by placing the finger down the child's throat (this with the exception of lye or kerosene poisoning). Naturally, the poison bottle should be kept so that the doctor

will know what the child has taken, and professional advice should be obtained at once.

Most accidents to children—about ½ of the total—are the results of motor vehicle accidents and this is half as bad again in Canada as in the United States. Deaths from burns of various origins, from drowning, from accidental swallowing of poisons and from other usually avoidable mishaps are also too common among these toddlers. The greatest possible care in driving motor vehicles especially if small children are around is obviously needed.

THE MOST EFFECTIVE method to avoid burns is to keep fire or fire-making equipment entirely away from small children. If the clothing of a child actually does catch fire the fire should be smothered at once by wrapping the child in a rug or blanket. Another important preventive measure is to keep hot pots and pans on the stove out of the reach of the hands of small youngsters.

There are only a few of the injuries which can occur to small children—and older ones as well. A convenient pamphlet on emergency measures in the event of injury which contains also a safety check list for things around the home is the accident handbook compiled by members of the staff of the Children's Medical Center, 300 Longwood Avenue, Boston 15, Massachusetts (Price 25 cents.)

ANCIENT DENTISTS

Crude dentistry was practiced in ancient Egypt and Greece. Specimens of false teeth have been found in the jaws of Egyptian mummies, dating back centuries before Christ.

The first one to show up at a certain girl's house would have a date with her.

Ruth Millett

How Do You Explain Dad's Drunk to the Children?

A man who works hard all week and brings home his pay is entitled to get drunk in his own home once a week, a Rhode Island judge said in court recently.

It's too bad the judge didn't tell the wife who had her husband up before him just how to cope with a husband's "rightful" once-a-week drunk.

What does she tell the children when Papa gets pie-eyed? Does she quote the judge's disillusioned words that "Life would be pretty dreary for the average man unless he could have a drink now and then?"

Does she say, "Look kids, earning a living for his wife and children is such a depressing and hateful burden that the only way a man can stand the strain is by getting drunk every so often?"

Does she send the kids off to bed early with the warning, "This is the night your Dad drowns his sorrows in drink. If you're smart children you'll make yourselves scarce. And since he'll probably have a hangover tomorrow morning, you had better watch your step, keep quiet, and try to stay out of his way."

IT'S THE FAMILY THAT DOES THE SUFFERING

It's real easy to talk about a man's right to get drunk when he feels like it.

But it is the wife and the children of a man who have to suffer through the disillusionment, disgust and damaged pride of seeing the man of the house drunk.

So anyone who tells a husband and father he has a right to get drunk in his own home ought to at least tell his wife how to justify his drunkenness to his children.

And that is a big order. For children have a natural horror at seeing their parents changed—as drink changes those who over-indulge.

And there probably aren't any words that can change their disgust and shame into placid acceptance.

MEN PAST 40

Troubled with GETTING UP NIGHTS
Pains in BACK, HIPS, LEGS
Tiredness, LOSS OF VIGOR

If you are a victim of these symptoms then your troubles may be traced to Glandular Inflammation. Glandular Inflammation is a constitutional disease and medicines that give temporary relief will not remove the causes of your troubles. Neglect of Glandular Inflammation often leads to premature senility, and incurable malignancy. The past year men from 1,000 communities have been successfully treated here at the Excelsior Institute. They have found soothing relief and a new zest in life. The Excelsior Institute, devoted to the treatment of diseases peculiar to older men by NON-SURGICAL Methods, has a New FREE BOOK that tells how these troubles may be corrected by proven Non-Surgical treatments. This book may prove of utmost importance in your life. No obligation. Address Excelsior Institute, Dept. 3711, Excelsior Springs, Missouri.

Camerer - Smith Vows Exchanged At Carrollton

CARROLLTON — The Rev. William Boston, pastor of Mt. Gilead Baptist church, performed the single ring ceremony Sunday, Dec. 11 at 2 p.m. which united in marriage Miss Loretta Smith, daughter of Mr. and Mrs. John H. Smith, and Thomas Camerer, son of the late Henry Camerer and Mrs. Henry Camerer, of this city.

The ceremony took place in the local Methodist church before an altar covered of baskets of flowers and greenery.

Mrs. Donald Langer of this city played a number of organ selections preceding the wedding including "Because of You," "Melody of Love," "I Love You Truly" and "Always." Miss Ruth Pruitt of this city was the vocal soloist and her selections were "The Lord's Prayer" and "Whither Thou Goest."

White Net Over Taffeta
The bride, given in marriage by her father, wore a dress fashioned of white net over taffeta with a tight fitting bodice with which she wore a jacket of lace. The bouffant skirt was floor length. Her bridal bouquet which she carried on a white Bible was of white carnations decorated with a detachable red rose.

The bridesmaid was Miss Wanda Smith of this city, sister of the bride whose gown was of sequined lace over turquoise taffeta. The dress was fashioned with a tight fitting bodice complimented with a lace jacket and a bouffant skirt. The best man was George Camerer of this city, brother of the groom. The ushers were Herman Holford, Carrollton and Louis Reno of Cottage Hills.

Reception At Church
Following the wedding ceremony a reception was held in the church basement. Miss Verna Brannan served the wedding cake with the assistance of Miss Nancy Greaves and Miss Wanda Schofield was at the punch bowl. Miss Marjorie Milner and Miss Donna Vorhies also assisted at the reception.

After the reception Mr. and Mrs. Camerer left on a short wedding trip and upon their return will make their home on Walnut street in this city.

Mrs. Camerer is a graduate of the Carrollton Community Unit high school class of 1935.

Mr. Camerer also attended the Carrollton Community Unit high school and is employed as a mechanic in the local shop of Krause Tractor Sales who are located in both Carrollton and Jerseyville.

CARROLLTON

CARROLLTON — Mr. and Mrs. Charles Sullivan and family moved this week from the Christian parsonage to the Zeno Curritt property on North Main street recently vacated by Mr. and Mrs. Lauren Berger who moved to Albion.

Russell Wiles and Paul Smith spent Thursday in St. Louis. Mr. and Mrs. Elton Pierce of Jacksonville spent Thursday here with Pierce's mother, Mrs. Emma Pierce.

Mrs. W. E. Strang of Godfrey was a guest Thursday of her sister, Miss Gussie Giller.

Mr. and Mrs. E. L. Sharon and Mrs. P. J. Achenbach returned home Tuesday from Washington, D. C. where they had spent the Thanksgiving holidays with the latter's daughter and family, Mrs. Ralph M. Metcalf.

Mrs. L. Doyle and Miss Winifred Varble spent Thursday in St. Louis.

Mrs. John Clark and Mrs. Robert Reynolds entertained the members of their canasta club Thursday evening at the Clark home.

DAMPENED SPIRITS
LOS ANGELES (AP) — A distraught woman poured out her troubles to Dr. Frank Nolan about her alcoholic husband.

"Has he tried A.A.?" the sympathetic doctor asked her.

"He must have," she said. He has drunk everything else."

LIKE MOTHER LIKE SON
RICHMOND, Va. (AP) — Mrs. Helen M. Jeffries and her son, John L. Jeffries, III, qualified to practice before the Virginia Supreme Court of Appeals on the same day. The mother has been an attorney for some time. The son was recently admitted to the bar.

Girl Scout Notes

The girls of Troop 34 entertained at a supper party recently for some of their friends, some of whom belonged to Boy Scout Troops in town. The group also participated in dancing. Mr. Verne Austin did the calling and teaching and his services were greatly appreciated. All 24 of their members, including Pat Birdsong, a new member to the troop, were present at the party.

Two members of Troop 64 have taken over the duties of Troop 34 Tuesdays at Passavant Hospital so that the girls of Troop 34 can attend their own Scout meeting.

The cafeteria at South Jacksonville school was the scene of an inter-troop meeting last Thursday afternoon. The girls of Troop 68 and their leader, Miss Jean Huff, were guests of Troop 64 and their leaders, Mrs. Norma Crocker and Mrs. Mary Lou Stine. The girls, after becoming better acquainted through several games, took part in the flag ceremony and then divided up into patrols for their business meeting. They then worked on favors for the hospital and rest homes to be given out when the girls go caroling.

Saturday, Dec. 17, there will be a Camp Shagbark Rally for all the girls who attended TROOP Camp this summer. The rally will be from 10 until 2 at MacMurray College, with Miss Mary Culver, director of Camp Shagbark, in charge. A splash party in the pool will be the highlight of the morning program and after a sack lunch the girls will compare pictures taken at camp this summer, have the camp newspaper read, and attend a short program. There will be a surprise in store for all the girls that plan to attend.

Friday afternoon the staff at the Girl Scout office in Jacksonville will be hostess at a tea given for all friends of Girl Scouting in the Council. The public is invited to drop in the office and visit and have a cup of tea while they are doing their Christmas shopping.

Many of the troops in the Council are making tray favors, toys and small gifts to be given away at Christmastime. The troops are also planning to carol at the different rest homes and hospitals during Christmas week.

There are still a few Girl Scout calendars available at the Scout office. If your troop is in need of additional funds, this is a good way to increase your treasury and everyone enjoys having the cheerful calendars in their home.

ARENZVILLE

ARENZVILLE — The P.T.A. meeting will be held Thursday, Dec. 15 at 7:30 at the Junior High Building. The program will consist of the showing of films and singing of Christmas carols.

The Arenzville Home Bureau Unit will meet with Mrs. Henry Allwardt on Thursday, Dec. 15, with a potluck dinner at 11:30 a.m. Roll call will be answered with "What I Want For Christmas." The major lesson, "Yeast Bread Variations" will be given by Mrs. Henry Allwardt and Mrs. O. W. Hackman. The minor lesson, "Home-made Aids in Caring for the Sick" will be given by Mrs. George Morrison. Mystery pals will be revealed with a gift exchange.

Howard Beely of LaSalle, Ill. and Mrs. Marcia Schnake of Winchester visited from Tues. to Friday with their sister, Mrs. E. L. Schaefer. Another brother and wife, Mr. and Mrs. Grover Beely of Bluffs, were supper guests at Mrs. Schaefer's on Tuesday evening.

Mr. and Mrs. Frank Priva are parents of a daughter, born Friday at Schnitt Memorial hospital at Beardstown.

Mr. and Mrs. Jack Burrus, and Mr. and Mrs. Ross Houston attended the annual meeting of the Cass-Morgan-Scott Bank Federation at Winchester Thursday evening.

LITERBERRY WOMAN'S CLUB MEETS DEC. 15
The Literberry Woman's club will meet at 2 p.m. Wednesday at the home of Mrs. Warren Daniels.

CLUB MEETING DEC. 21
The Woodson Woman's club will meet at 2 p.m. Dec. 21 at the American Legion Home, instead of Dec. 14 as was announced previously.

Swift & Company Earnings In '55 Show Increase

Swift & Company's operations during the fiscal year which ended Oct. 29, 1955, showed improvement over the previous year's results. President Porter M. Jarvis announced today in his annual report to shareholders. A copy of the report was received in this city by Harvey H. Green, manager of the local plant.

Net earnings of \$22,893,155 represent a 20% increase over last year's net of \$19,050,891. Earnings per share were \$3.87 compared to \$3.22 last year. For each Swift sales dollar, the 1955 net average one cent compared to 8 1/10ths of a cent in 1954.

On a tonnage basis, Swift's plants and sales units produced and sold more products in 1955 than in any previous year in the company's history. Dollar sales of \$2,404,123,642 were down from the 1954 sales total because of lower prices.

30 CATS TOO MANY
ST. LOUIS (AP) — Food bills of about \$2 a day for their 30 pet cats gave Mr. and Mrs. Norman J. Sutter an idea.

They ran a newspaper advertisement noting that cats made ideal Christmas gifts. The Sutters and their daughter, Gloria, decided to give some of the pets away. But the family still plans to keep their seven Rinstated monkeys, a lame crow and wounded pigeon.

Christian Church Class At Roodhouse Holds Party

ROODHOUSE — The Dorcas class of the Christian church met in the church fellowship room Thursday night for a potluck supper and Christmas party. Hostesses were the officers: Elva Orrill, Meda Basham and Mary Randall. There were 14 members and three guests present.

During the business meeting, plans were made for distributing the fruit dishes to the shut-ins, and Lucille Weddersten was appointed chairman of the committee. Plans were also made for boxing the Christmas treat candy for the Sunday school at the church during the week before Christmas. It was voted to sponsor the buying of new song books and members of the class will solicit for orders. It was decided to give to the class of high school boys and girls the profit from selling the Christmas cards since the cards were sold by those young people.

Records presenting the Christmas story were played by Elva Orrill during the devotional period. The invocation preceding the supper was given by Mrs. Ralph Coleman.

The distribution of the exchange gifts was in charge of Aveline Jackson.

Delta Kappa Gamma Meets
At a dinner meeting of the Delta Kappa Gamma held in the Baptist church in Carrollton Friday night, annual election of officers was a feature of the business meeting conducted by the president, Miss Josephine Tuetkin. Named by the nominating committee was the following slate which was accepted: president, Lucille Barnett of Greenfield; first vice president, Nancy Miller of Grafton; second vice president, Ardeen Walker of White Hall; recording secretary, Katharine Grauel of Carrollton; corresponding secretary, Jonetta Maubin of Jerseyville; and parliamentarian, Cuba Tureman.

It was announced that an executive board meeting will be held at the home of the retiring president in Jerseyville some Saturday in January, the exact time to be announced later.

Program chairman Mae Nichols presented the following program for the evening: "The Christmas Story" by Edith Hyatt; vocal music, "Winter Wonderland" and "White Christmas" Elizabeth Moore; group singing of Christmas carols led by Elizabeth Moore and accompanied on the piano by Nita Ford. Nita Ford played the church chimes to conclude the program.

The gifts were presented by Santa Claus assisted by Lucille Barnett and Katharine Grauel.

Attending from Roodhouse were Miss Mabel Hopkins and Mrs. Charles C. Barlow.

Mission Circle Meets
The Mission Circle of the First Baptist church will meet at the church Tuesday afternoon, at which time a Christmas service, "Give and Take," will be presented by 13 ladies. There will also be a "Love Gift" dedication service. "Sharing the Faith" conducted by Mabel Hinkle.

The Barrow Baptist church Mission Circle will meet Tuesday afternoon at 1:30 in the home of Mrs. James Dovel. There will be a gift exchange, the price not to exceed a dollar.

Personals
Mrs. Perry Campbell suffered painful injuries in a fall at her home Friday morning. Mrs. Campbell, who is confined to her home by arthritis, sustained a cut on her head from the fall, but her condition is considered satisfactory.

Mrs. Eugene Thompson is a patient at the Passavant Hospital in Jacksonville.

MERRITT
MERRITT — Members of the Merritt W.C.S.S. met at the home of Mrs. Roy Baldwin Tuesday afternoon for their December meeting and Christmas party.

Harry Funk left last week for Anderson, Calif., where he has employment.

Jackie Dobson, son of Mr. and Mrs. Jesse Dobson, has been in the Air Force in Germany and has been discharged and he returned home on Wednesday.

Mr. and Mrs. Lee Berry were Sunday dinner guests at the home of Mr. and Mrs. Adam Hills.

Miss Annie Coumbes of Jacksonville has been spending a few days with her sister and husband, Mr. and Mrs. Adam Hills.

Mr. and Mrs. Fred Peters of near New Berlin were recent callers at the homes of Mr. and Mrs. Clyde Funk, Mrs. Fannie Buchanan, Mrs. Lola Funk and Mr. and Mrs. Lewis Kory.

Mrs. Anna Hitt has returned to her home after spending Thanksgiving at the home of her son, Martel and family in Indianapolis, Ind.

Mrs. Lois Morris was called to the home of Mr. and Mrs. Charles Drake to help care for Mrs. Drake, who is ill.

Announce New Way To Shrink Painful Piles

Science Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made

astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name Preparation 12. At your drugstore. Money back guarantee. Reg. U. S. Pat. Off.

Shirley Damm Of Greenfield Engagement Told

GREENFIELD—Mr. and Mrs. Ebert C. Damm announce the engagement of their daughter, Miss Shirley Damm, to Marvin J. Loftis, son of Mr. and Mrs. Marvin Loftis Sr. of Alton.

Miss Damm is a graduate of the Greenfield high school. Mr. Loftis is employed at Tri-Grocery in Alton and is a member of the 102nd Military Police of St. Louis.

Mr. and Mrs. R. Guy Secor have been visiting at the home of their son-in-law and daughter, Senator and Mrs. Edward V. Long in Clarksville, Mo. Senator Long has announced his candidacy for the office of Lieutenant Governor of the State of Missouri.

Mr. and Mrs. Don Gustine of Macomb announce the birth of their first child, a daughter, born Wednesday in the Macomb hospital. The grandparents are Postmaster and Mrs. Harley Gustine of this city and Mr. and Mrs. Homer Stone of Granite City.

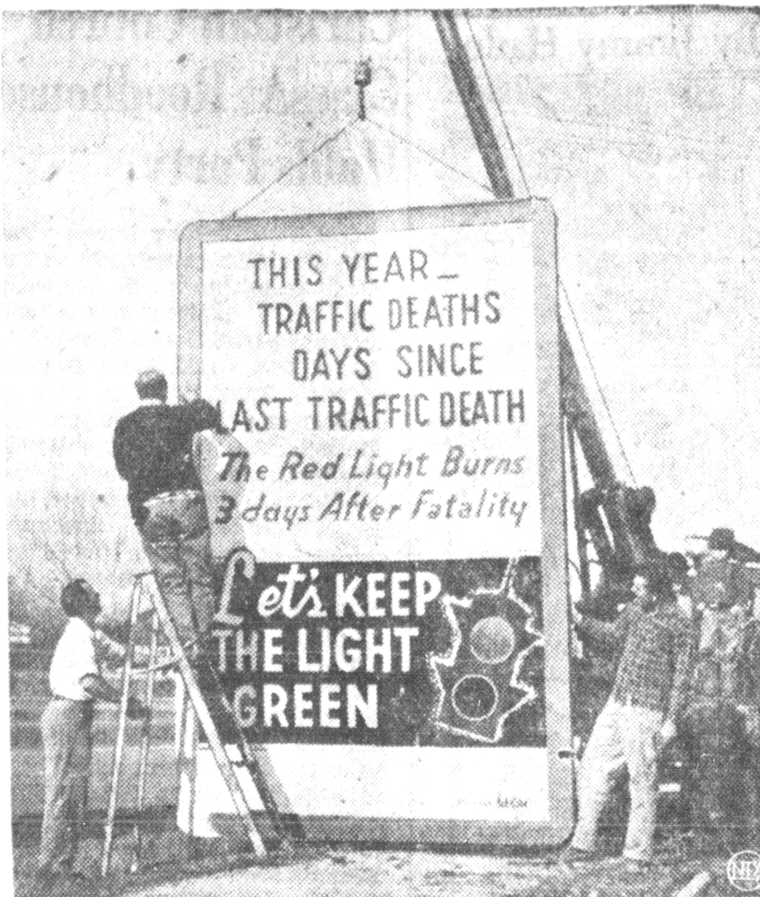

Clyde Cole and J. Russell Shields officiated at Hillsboro's basketball game with Shelbyville at Hillsboro Friday night. They were accompanied by Vernon Thaxton and son Marvin, Billy Clyde Cole and Harry Lee. They visited at the game with the Rev. George Mayo of the Hillsboro Methodist church, a former pastor here. On Tuesday night they officiated at Cahokia's game with Granite City at Cahokia.

Methodist Youth Win Award—Members of the Methodist Youth Fellowship of the Greenfield sub-district group of which the Rev. Harry Evans is Ministerial Lay Leader and the Rev. Fines Main of White Hall is youth counselor, met at the Murrayville Methodist church Sunday afternoon and evening.

Bob Thayer, LeRoy Frazier, Richard Hutcheson, Bonita Hamilton, Sandra Strang, Marilyn Williams, Marilyn Thaxton, Sheila Smith, Brenda Shields, Donald Evans and Phyllis Arbuckle of Greenfield, Donna Lewis, Phyllis Wahl, Carol Griswold, Jim Clark, Larry Ewins, Bill White and Bill Wood of Rockbridge, and Howard Elmore, Kay Crouch and Donna Young of the Rubicon church attended. The Rev. and Mrs. Harry Evans, Mrs. Doll Duncan and Floyd Frazier accompanied the group.

The Greenfield M. Y. F. received the first place banner for artistic arrangement and originality in the booth display. Miss Phyllis Arbuckle, Group M. Y. F. president, presided at the business session and Marilyn Williams, Donna Lewis and Howard Elmore were on the nominating committee.

Richard Hutcheson was elected vice president and Howard Elmore,

"OPERATION LIFESAVER"—Workmen erect a unique eight by 10-foot traffic warning and safety sign in front of the city hall at Orem, Utah, as part of the town's continuing safety campaign. Operated from a switchboard in city hall, the sign will show a green light as long as no accidents happen. When one does, the light changes to red and if there is a fatality, remains red for three days.

Home Bureau Activities

The Alexander Home Bureau unit met Dec. 6 with Mrs. Wallace Smith. Mrs. Leonard Bergschneider called the meeting to order.

Mrs. Byron Strawn presented the major lesson on Paints for Walls and Woodwork. The pledge was repeated by 10 members and two guests. Mrs. Smith favored the group with lovely Christmas music.

Mrs. Leonard Bergschneider made a report on the luncheon and the training school on Nov. 29 at the Dunlap hotel. The secretary read the minutes and roll call was answered with each telling of the Christmas they remembered best as a child.

Highlights of the board meeting were read by the vice chairman, Mrs. Kern, who also gave a report. The treasurer, Mrs. Wallace Smith reported on the money made from the Dutch Maid products. Thank you notes were read by the secretary from Mrs. Verne Bergschneider and Mrs. Earl Muckelston.

Recreation was furnished by Mrs. John Becker and the prize went to Mrs. Reece Kern. Plans were made for the Christmas party to be held Tuesday Dec. 13 with Mrs. Paul Hermes. The hostess served delicious refreshments after adjournment.

FIRST PIPE ORGAN

Hungary church, Birdnest, Virginia, built in 1751, is said to have had the first pipe organ in America. Its pipes were melted into sinkers for fishermen during the Revolution.

MORE AND LESS

The United States produces more than it consumes of coal, petroleum, copper, lead, and salt, but uses more than it produces of iron ore, zinc, bauxite, tin, and nickel.

FRANKLIN

FRANKLIN—The W.S.C.S. of the Methodist church will meet at the home of Mrs. S. J. Camm next Wednesday afternoon, Dec. 14. Miss Margaret Camm will be assistant hostess.

The Altar Society of Sacred Heart church held its December meeting at the Shamrock with Mrs. Harold Johnson and Mrs. Lintner as hostesses. Nineteen members were present and participated in a gift exchange. Bingo was played and Mrs. Thomas Stapleton, Mrs. James Johnson and Miss Anna Ludwig were prize winners. Mrs. Charles Watt won the door prize. Pumpkin pie with whipped cream and coffee were served.

Mr. and Mrs. Leo Bergschneider attended a basketball game at Quincy College last Saturday where their son is a freshman.

Mr. and Mrs. James Burch and Mr. Lawrence Smith visited Mr. and Mrs. John Burch at Birmingham, Ala. last week.

Mr. and Mrs. William Neece, Jr., and sons, Billy and Dickie, visited Mr. and Mrs. Dwight Hopper in Springfield last Friday.

Harvey M. Smith appeared on a program at a meeting of Baptist churches of the Sandy Creek Association at MacMurray College Chapel Monday night.

Mrs. Lillian Seymour attended a meeting of the Garden Club at the Y.M.C.A. at Jacksonville last Saturday afternoon.

Mr. and Mrs. Darrell Strubbe of Jacksonville visited Mr. and Mrs. Robert Jones and children Sunday evening.

Mrs. Manerva Brewer was taken to Passavant Hospital in Jacksonville the first of the week for treatment.

H. W. Morton spent Wednesday and Thursday with his sister, Mrs. Ella Westcott, at Kell, Ill.

Mr. and Mrs. W. D. Pence of Godfrey visited their friends, Mr. and Mrs. Jean Belk, Wednesday.

Mrs. Lela Asplund was a guest of Mrs. Maude Wiley Monday and Tuesday. Mrs. Asplund lives at Girard.

Mr. and Mrs. Lloyd Dahman were callers in St. Louis, Mo., Tuesday.

Mrs. Louis Mitchell of Waverly visited her daughter and family, Mr. and Mrs. Herman Rawlings and children, Wednesday.

The Christian church Missionary Society met Wednesday with Mrs. Frank Regel as hostess. The lesson topic was "Still Greater Service" and was led by Mrs. Harold Campbell, assisted by the members. It described the outreach phase of the work of the Yakima Indians Christian Mission at White Swan Washington and the necessity for an expanded program. The devotion were led by Mrs. Essie Henderson. Refreshments were served and a social hour followed.

Mrs. Louella Seymour has been employed to finish the term teaching in the primary department of Franklin grade school. The vacancy was caused by the sudden death of Mrs. Miner.

CHANGED CAPITALS

In May, 1864, Montana became a territory with Bannack as its capital but, when richer strikes were made near Virginia City, the latter was made the seat of government. Helena, the present capital, became the capital ten years ago.

REPLACED STEAMBOATS

The steel barges now being pushed up and down the Mississippi carry three times the tonnage that steamboats hauled in their heyday about a century ago.

Aircraft propeller blades are usually made of hollow forgings of alloy steel containing one to two per cent nickel.

UNIFORMLY NEAT—This is the new uniform the nation's letter carriers will be wearing next year. Styling was designed for greater functional efficiency. Shirts will be blue instead of gray, and ties will be maroon instead of black. Trim will also be maroon. Shoulder insignia is designed from the official Post Office Department insignia.

COMMUNITY TELEPHONE — Service station operator Dave Haddad uses his phone—oops—the phone that's partly his. When Haddad moved into Pleasant Valley, a new community outside Pittsburgh, Pa., telephones were at a premium. He needed one for his business. So a pay phone was installed outside his home, for use by the whole community. By leaving the living-room window open, Haddad can hear the telephone ring. This also cools his home. But he says he doesn't mind the higher heat bills too much. When the phone rings in the middle of the night, Haddad has to scramble out of a warm bed and jump into boots and overcoat to answer it.

PITTSFIELD

PITTSFIELD—Dale Spore, who has been connected with the Alexander Lumber Company here for the past two years, has been promoted to manager of the company succeeding John McAllister, who has purchased a lumber company in Danvers, Ill., where he and his family will locate. Mr. Spore came to Pittsfield from Galesburg, where he had also been employed by the Alexander Lumber Company. He will have as his assistant, Estill Gerard.

Announces Candidacy

Austin Altizer Jr., clerk of the Circuit Court and ex-officio recorder of Pike county, is the first county officer to announce his candidacy in the April primaries. Altizer is a democrat and has served two terms in the office to which he will seek reelection.

Improving

The condition of Circuit Judge A. Clay Williams, who is a patient in Blessing Hospital in Quincy, is reported to be improving.

Christmas Dinner

The Illini Hospital annual Christmas dinner will be held at Orr Hall Wednesday, Dec. 14, beginning at 6:30 p.m. All employees of the hospital, all doctors, nurses and personnel, as well as the directors and their wives, the press, and others will be guests. The W.S.C.S. of the Methodist church will serve the dinner. Mrs. Lorene Ode is chairman of the dinner committee. Miss Margaret Jordan, P.V. is chairman of a committee planning a potluck supper at the nurses residence on Monday night for employees of the hospital, at which time they will have their gift exchange.

Returns From Vacation

Mrs. L. T. Graham has returned to her home here following a vacation of several weeks in Miami, Fla. and a visit to the Cayman Islands in the British East Indies.

PITTSFIELD—Mrs. Grace Bechtolt was admitted to Illini Hospital Thursday night after becoming suddenly ill while attending the

Gleaners Christmas party at Orr Hall.

Mrs. Jean Garrison, a member of the elementary schools faculty for the past several years has resigned the position as teacher in the second grade effective at the holiday vacation. She will go to Belleville to teach.

Three persons received emergency treatment at Illini Hospital Thursday. Carl Smith, 21, of Pearl, fell asleep at the steering wheel of his car, which turned over. He received treatment for abrasions and lacerations of both legs. Lyndie McAllister, 26, also of Pearl, who was riding with Smith, was treated for abrasions on the nose and face. The accident occurred between Pearl and Milton. Bert Booth, a carpenter, of Nebo, cut the end of his left forefinger off while using an electric planer. All were released following treatment.

The local post office, already busy with Christmas mail, will remain open Saturday afternoon until after the holidays to accommodate patrons.

Mrs. Gene Burbridge, Mrs. Earl Thurman and Mrs. Stanley Ianson are the committee in charge of soliciting clothing for needy children of all ages in the schools of the community. The project is being sponsored by the Interested Mothers' Club of which the three ladies are members.

Women of the Moose are completing plans for their annual Christmas party for the children of the community, which will be held at the Moose Hall next Saturday, Dec. 17, when the youngsters will each receive a treat and films will be shown.

Mrs. Frieda White, who has been a patient in Illini hospital the past two months, has been taken to her home on Clarksville Road, where she is now being cared for by Eva Pryor, who formerly conducted a nursing home in New Hartford.

Mrs. Myron Davis, president of the Band Boosters Club, has announced a meeting at the band room in the high school next Monday night, at which time new instruments which have been purchased will be demonstrated. The public is invited to attend with a special invitation extended those who assisted the club in its drive for funds for the band. Le Roy Coultas has returned from service with the Navy overseas and will now be stationed in the states. He is at present spending a leave with his father, Charles Coultas, and other relatives here, and will report to Kansas City Dec. 18 where he will now be stationed.

Earliest civilization of the Egyptians included dancing and its invention was ascribed by them to their god Thoth.

GOING PLACES? — Social Outcast shows a lot of interest in a travel folder being read in the Hialeah barn area by Bill Winfrey. The travel dog seems quite content with the Florida sunshine.

Greenfield PTA To See Christmas Play By Students

GREENFIELD — The December meeting of the Greenfield P.T.A. will be held Thursday December 15, at 8 p.m. in the high school auditorium.

Mrs. Robert Morrow is preparing a Christmas play to be presented by the grade school students. Mrs. Byron Hill is program chairman and the sixth grade mothers will be the hostesses.

Band Boosters To Meet

The Band Boosters club will meet Monday night, Dec. 12, at 7:30 p.m. in the Greenfield grade school.

This will be a combined November and December meeting and at Centralia's game with Mt. Car-

hostesses of both months will serve refreshments: Mesdames Melvin Hankins; Stephen Grummel, A. L. Theivagi, Robert Cole, Orville Griswold, Matt Roth and Jesse Range.

Supt. Fred Burnham, Clyde Land and Silas Pedigo are program committee members.

Masons To Elect

The Greenfield Masonic Lodge A. F. & A. M. No. 129, will hold its annual election of officers Tuesday night Dec. 13. Raymond Gallagher is the retiring Worship Master.

Installation ceremonies will be held Monday night December 19, preceded by an ayster banquet to be served at 6 p.m.

Personals

Principal Harry Fitzhugh of Franklin and J. Russell Shields of this city were in Centralia Saturday night where they officiated at Mr. and Mrs. Donald Neutzman, who moved from Greenfield last

Jacksonville Journal, Jacksonville, Ill., Dec. 13, 1955

mel. They were accompanied by Principal L. E. Laughran of Waverly.

Mrs. George Parks was hostess at a dinner meeting Wednesday night of the H. J. chapter of P. E. O. Assistant hostesses were Miss Elizabeth Bell, Mrs. Ray Stout, Mrs. W. Frank Parks and Mrs. Fred Burnham. Mrs. George P. Enterkin gave the program "Ecuador" a continuation in the series, "Know South America."

Mr. and Mrs. Winfield Coryell of East Alton, former residents of this city, have announced the birth of a daughter, their second child, born Friday at the St. Joseph's hospital in Alton. Mr. Coryell is the former Sally Neutzman, daughter of Mr. and Mrs. Donald Neutzman, who moved from Greenfield last

June to Anacortes, Wash. The Greene County Education Association and the organizations of Jersey and Calhoun Counties met at the Greenfield High school Thursday night. S. W. Thornton of the Greenfield High school faculty, public relations chairman of the Tri-county group arranged the program which included selections by the recently organized choral group comprised of members of the Greenfield high and grade school faculties. A social hour followed.

EARLY BRIDGE BUILDERS

Masonry arch bridges or crude construction appear to have been used first by the Chinese and by the prehistoric Hittite and Pelasgic tribes along the Mediterranean. The Etruscans and Romans improved these bridge forms.

No Wonder Mothers Love

This Relief for
Suffering of Colds

**DOES MORE
THAN WORK
ON CHEST!**

Nothing works like Vicks VapoRub—the proved medication that acts two ways at once.

When you rub it on, VapoRub quickly relieves muscular soreness. At the same time, VapoRub's medicated vapors bring relief with every breath. Soothing vapor medication travels deep into your child's nose, throat and large bronch-

ial tubes. Congestion starts breaking up. Coughing eases. Warming relief comes, lasts for hours.

So when colds strike, depend on—

Science Learns How To Stop Asthma Attacks

Doctors Find New Tiny Tablet Gives Relief In Minutes...Lasts For Hours!

New York, N. Y. (Special) — Medical science has developed a new, tiny tablet that stops asthma attacks... and gives hours of freedom from recurrence of painful asthma spasms.

Authoritative medical tests have proved that this remarkable compound brings blessed relief in mere minutes... relief that lasts for hours.

This fast-acting formula is prescribed more than any other by doctors for their private patients. And now asthma sufferers can obtain this formula—without prescription—in tiny, easy-to-take tablets called "Primatec".

New "Primatec" helps relieve asthma spasms these important ways: (1) opens bronchial tubes so that breathing is natural; (2) loosens mucous congestion; (3) relieves taut, nervous tension. All this without taking painful injections, and without the inconvenience of inhalers.

The secret of "Primatec" is that it combines 3 medicines found most effective in combination for asthma distress. Each medicine performs a special purpose.

"Primatec" is available at all drug stores. The price is only 98¢ for a bottle of twenty-four tablets. And remember—if not entirely satisfied, your money will be refunded promptly.

So look forward to sleep at night and freedom from anxiety by day. Get "Primatec, today!"

ASHLAND

ASHLAND—Mrs. J. T. Adkins entertained 10 of her nieces and nephews last week who arrived for a visit not knowing of each others arrival. They came from Roswell, N. M.; four from Fall City, Tex. and one from Rapid City, S. D. and three from Fenton, Mich. They had not seen each other in two years. Sunday all drove to Gibson City to visit Mrs. Adkins' sister and four other cousins.

Mrs. Don Gainer has returned home after several days visit in Chicago with her daughter, Jane, who is a student nurse at Ravenswood hospital there.

Suzanne Bast returned home Monday after being a medical patient at St. John's hospital in Springfield. She suffered from the chickenpox and flu.

E. J. Mau, Oscar Reiten, Leo Leahy and Pat Lathom have returned to their respective homes after being in Kansas City on a battle buying trip.

Mr. and Mrs. M. T. Reiser and Miss Alea and Alma Goodman spent the latter part of the week in Urbana and Champaign. While in Champaign they visited with Mr. and Mrs. Fred Reiser.

Miss Sylvan Six entertained at a bridge party Monday evening at her home.

Mr. and Mrs. L. D. Lewis left early Tuesday morning for a months visit with their daughter and husband, Mr. and Mrs. John Schweitzer at Needles, Calif. They will also visit with Mrs. Lewis' sister and husband, Mr. and Mrs. Otto Fouhe at Long Beach, Calif.

Mrs. S. S. Brownback has returned from a few days stay in Paris Landing, Tenn. visiting with her husband who is a patient in the General hospital there suffering from injuries received in an accident Oct. 26. Mr. Brownback is improving slowly. He recently had the cast removed from his leg fractured in the accident that took the life of Kermit Murray, another Ashland man.

Mrs. Jesse Bennett fortunately escaped more serious burns when her hair and eyebrows were singed when her oil heater at her home blew up.

Mr. and Mrs. Carroll Houston of Chapin were state delegates to the Youth Democrats National Convention held last week in Oklahoma City, Okla. They were accompanied by Mrs. Houston's mother, Mrs. H. L. Lewis and aunt, Mrs. Beulah Lewis of Ashland.

Miss Marietta Danenberger, who has been a patient in St. John's hospital, Springfield, for three weeks, is now visiting at the home of her brother, Mr. and Mrs. Sam Danenberger, Jr., and family in Bloomington.

Miss Jennie Palmer of Lincoln spent the weekend here with Miss Joan Kruse.

LEWIS A. SEYMOUR OF FRANKLIN IN HOSPITAL
Lewis A. Seymour of Franklin Route Two is a patient at Our Saviour's hospital, having entered Monday for treatment and observation.

Health Of Baby Teeth Is Vital To Beauty Dental Care Should Start Young

Baby teeth are just as important to a youngster as permanent ones are to adults. And poorly-cared-for milk teeth can mean poor lifetime ones. Visits to the dentist (left) should start when the child is three, according to the Department of Pedodontics at New York University. Brushing teeth (center) can start as an imitative game as soon as the child shows she's interested. Toothpaste that's fun to squeeze may be an encouragement. Result: sound teeth both now and later (right).

E is for Education: Our elucidation Of each step we take Is for the child's sake. For if he understands What each process demands He changes from a "velder" Into the dentist's helper.

F is for child's Friendship. Which you'll help us gain If from mention of fear You will always refrain: Never hint at the presence Or absence of pain. We have found there's no virtue In the words "He won't hurt you."

I is for Imitation: Children see, children do. Your child's dental habits Depend on you.

J is for Junior: To those tastes we cater So he'll have better teeth Than his miter and pater.

Who, though in other ways Friendly and sage, Were afraid of the dentist When they were his age.

M is for Mothers: Who (though it may sound absurd) When their children are treated, Should be seen and not heard. N is the Neighbor Who full of advice is If you're in a dental Or medical crisis. No matter how wonderful You think her guess is, It's best to consult M.D.'s, D.D.S.'s.

Q is for Questions: Even if there are scores, We're happy to answer Both your children's and yours. But those which the children Should never overhear Had better be asked When they are not near.

R is for Regular: Which visits must be To keep to a minimum Both treatment and fee.

S is for Saturday: It's always quite busy. Please try to come weekdays If it makes you too dizzy.

T is for Time: Won't you leave a good span Between time treatment must end And the day it began? Our favorite lady Is not Mrs. Van Gramp. Who brought in three children The day before camp.

U is Unfinished: Dental work not completed Leaves teeth in a worse state Than those never treated.

Jacksonville, Quincy Have Own Sectionals; Regional At I.S.D.

The bugaboo of Jacksonville High having to face Quincy in the sectional basketball tourney will not rear its ugly head this season in either city. After providing hardwood dramas for several years in the sectional windup, Jacksonville and Quincy have been rerouted entirely, even though they got to the finals.

Principal John Agger of this city announced the tournament schedule Monday after its release by the office of the Illinois High School Association. Two tourneys from which winners will advance closer to the state finals will be staged in this city.

The regional tournament has been set for Feb. 29-March 2 at the Illinois School for the Deaf.

All local prep schools—Jacksonville High, Reitt and I.S.D.—probably will be assigned to the I.S.D. tournament, but that isn't official. Sometimes the state association decrees that a team from a city where there are several prep squads, go visiting in some other regional.

Jacksonville High schol will be host to a sectional meet March 7-9. This will bring together winners of regional affairs at Havana, Springfield, Williamsville and Illinois School for the Deaf.

In the meanwhile Quincy will be running a sectional tourney of its own.

The winner of the Jacksonville sectional will advance to the sub-state finals at Springfield.

Eight sub-state finals will be played in various sections of the state this year as the new arrangement voted by the Illinois High School Association goes into effect. There will be no "Sweet Sixteen" at Urbana next March, as only eight sub-final winners will move into the big shindig.

According to information received by Principal Agger, there will not be any district tournaments in the immediate vicinity of Jacksonville. All teams assigned to the I.S.D. regional will be fresh starters, not having played in district competition.

Sectional assignments and pairings have been scrutinized closely by cage fans in these parts for several years, with the thrilling prospect of a Jacksonville-Quincy combat.

MARRIAGE LICENSE
Harry Hickey and Ruth Birdsell both of Jacksonville.

FURNACE BLOWER IS DAMAGED BY HEAT

When Mr. and Mrs. D. M. Spotts, 853 East State street, arrived at their home at 11 o'clock Sunday night they found it filled with smoke. An alarm was turned in to the fire department.

The source of trouble was found to be the blower on the gas furnace, in which the motor had burned out. Damage was confined to the motor.

Scribes Select San Francisco As Top College Team

By THE ASSOCIATED PRESS

The college basketball season already is old enough for such well-regarded teams as Kentucky, Illinois and Oklahoma City to have taken their first tumbles, but nothing has happened so far to shake the experts' belief that the University of San Francisco has the nation's best college team.

The sports writers and broadcasters who picked Coach Phil Woolpert's Dons as the No. 1 team in the Associated Press pre-season ranking poll gave them the same billing Monday in the first of the regular season ranking polls. San Francisco justified that billing by racking up its third straight lopsided victory last week.

Just 100 writers and broadcasters cast ballots in the weekly poll and 60 of them put San Francisco on top.

On the usual scoring basis of 10 points for each first place vote, nine for second, etc., the Dons tallied 910 points to 640 for runner-up North Carolina State. Coach Everett Case's Wolfpack from North Carolina took over second after Kentucky's 61-73 loss to Temple lowered the Wildcats considerably in the voters' esteem. Kentucky had been rated second in the pre-season picking but was beaten in its second game.

The top 10 teams with won-loss records and first place votes in parentheses:

1. San Francisco (3-0) (60) 910
2. N. Carolina State (4-0) (4) 640
3. Utah (3-0) (3) 520
4. Iowa (2-0) (3) 438
5. Alabama (4-0) (11) 404
6. Duquesne (3-0) (2) 335
7. Dayton (4-0) (1) 269
8. Brigham Young (4-0) 239
9. Vanderbilt (4-0) (6) 188
10. Holy Cross (3-0) (4) 168

Buckeyes' Freeman Tosses In 40 To Beat Sooners 89-68

COLUMBUS, Ohio (P) — Ohio State's Buckeyes, with the sensational Robin Freeman tossing in 40 points, beat the Oklahoma Sooners 89-68 Monday night.

All-America Freeman, a senior guard, hit 12 of 20 field goal tries and lobbed in 16 of 20 from the free throw line to bring his four-game average to 36.75.

The Buckeyes got off to an 8-0 lead as the game opened, and the Sooners never again came closer than eight points, despite a strong comeback effort in the last half. Ohio State led 40-17 at the half.

The Buckeyes, who lose their home opener a week ago, won their third contest in four starts. It was the third loss in four starts for the Sooners.

Freeman was taken out of the game with one minute, 48 seconds remaining. When Freeman left a big part of the crowd of 6,202 got up and walked out too.

SMU Wins 75-62 Over Wisconsin

MADISON, Wis. (P) — Southern Methodist scored a 75-62 basketball victory over Wisconsin Monday night, its second triumph over a Big Ten team this season, after having trailed, 35-33, at the half.

The Mustangs, who edged Minnesota, 82-81, in an overtime contest Saturday night, had little trouble with the Badgers after the halftime.

Center Jim Krebs, who totaled 23 points on ten field goals and three free goals, tied the score 35-35 with a corner shot and forward Joel Krog scored on another corner toss to put SMU ahead, 37-35.

Badger forward Curt Mueller layup shot tied the score 37-37, but Krog hit again from the corner to make it 39-37 and put SMU ahead to stay.

ENOS SLAUGHTER TO BE WED FOR FIFTH TIME

DENVER (P) — Enos (Country) Slaughter, outfielder for the Kansas City Athletics, told newsmen Monday he's going to be married for the fifth time.

Slaughter said he would be wed to Helen Spiker, Cumberland, Md., airline stewardess, at Cumberland, Dec. 21. He said it will be Miss Spiker's first marriage.

Slaughter talked to reporters while on a public relations visit here for a Milwaukee brewery.

Kentucky Edges DePaul 71-69

LEXINGTON, Ky. (P) — Forward Jerry Bird's shot with 31 seconds left gave Kentucky a dramatic 71-69 basketball victory over DePaul Monday night after the Wildcats trailed most of the last half.

By CHARLES CHAMBERLAIN EVANSTON, Ill. (P) — The new broom swept clean Monday at Northwestern as Stu Holcomb, athletic director less than three days, fired football Coach Lou Saban and his entire staff.

The housecleaning was Holcomb's first move since being placed in complete charge of the Wildcats' athletic situation after being hired from Purdue, where he had served as football boss since 1947.

The 34-year-old Saban, line coaches Bud Svendsen and Nathan Johnson, backfield Coach Al Pesek and end Coach George Steinbrenner, were told that their one-year contracts would not be renewed when they expire March 1.

"I'll start at once on the task of selecting a new head coach and he will be free to name his own staff," said Holcomb, who succeeded Ted Paysour as athletic director. Paysour recently was switched to assistant business manager for promotion of athletics.

The shakeup in the Athletic Department climaxed alumni and campus criticism of the last two football seasons during which Northwestern won only one Big Ten game, against Illinois in 1954. Bob Voigts resigned "under alumni pressure" nearly a year ago.

Saban, his assistant and former Indiana University star, moved up as head coach under a stopgap one-year pact. His Wildcats were without a single victory last season for the first time in the school's history. They tied Illinois 7-7 in the finale.

Pesek, who attended Capital University of Columbus, Ohio; Johnson, University of Illinois; and Steinbrenner, Williams College of Williamstown, Mass., all were Saban appointees.

Svendsen, who played center on Minnesota's championship teams of the middle 1930s, served under Voigts in 1954 and was held over.

The 45-year-old Holcomb has pledged to give Northwestern an athletic transfusion and confident of making the school strong again in football "in three or four years."

"I have no one definitely in mind at this time, but I hope to announce a new head coach soon," he said. "I have a five-year contract at Northwestern and I'd like him to have the same."

Saban said he had nothing in mind for the future.

"I'm more or less thought it was coming," he added. "It's just the way the football bounces. I'm certainly in the market for a job. It was a very short year."

Otto Graham, former Northwestern All-America quarterback and Cleveland Browns star, always has had strong alumni backing for the coaching job at his alma mater. When Voigts left, Graham said he was not interested.

"I'm not interested in coaching football," he reiterated Monday. "From now on I intend to devote my time to various business interests."

Billiken Defeats Hoosiers 86-75

BLOOMINGTON, Ind. (P) — Indiana's strong second-half rally ran out of gas Monday night as St. Louis whipped the Hoosiers 86-75 to take its fourth straight basketball victory. Billiken guard Harold Smith was high with 22 points.

Indiana's second-half bid was sparked by Charley Brown, with 12 points in the half, and Wally Choice, with 18. The Hoosiers took the lead at 67-66, but then Alcorn and center Jack Minitz staged a two-man rally to carry the Billikens out of danger.

Minitz scored 15 of his 19 points in the final session while Alcorn was getting 16.

Shooting percentage told the difference. St. Louis hit 35 of 77 shots from the field for a .455 mark while Indiana, well above .400 in its two previous victories, settled for 30 of 78 and a percentage of .385.

St. Louis, with previous victories over Louisiana Tech, Centenary and St. John's of Brooklyn, kept its perfect season record.

For Indiana, with previous wins over Ohio University and Kansas State it was loss No. 1.

Cubs Appoint Buck O'Neil As Scout

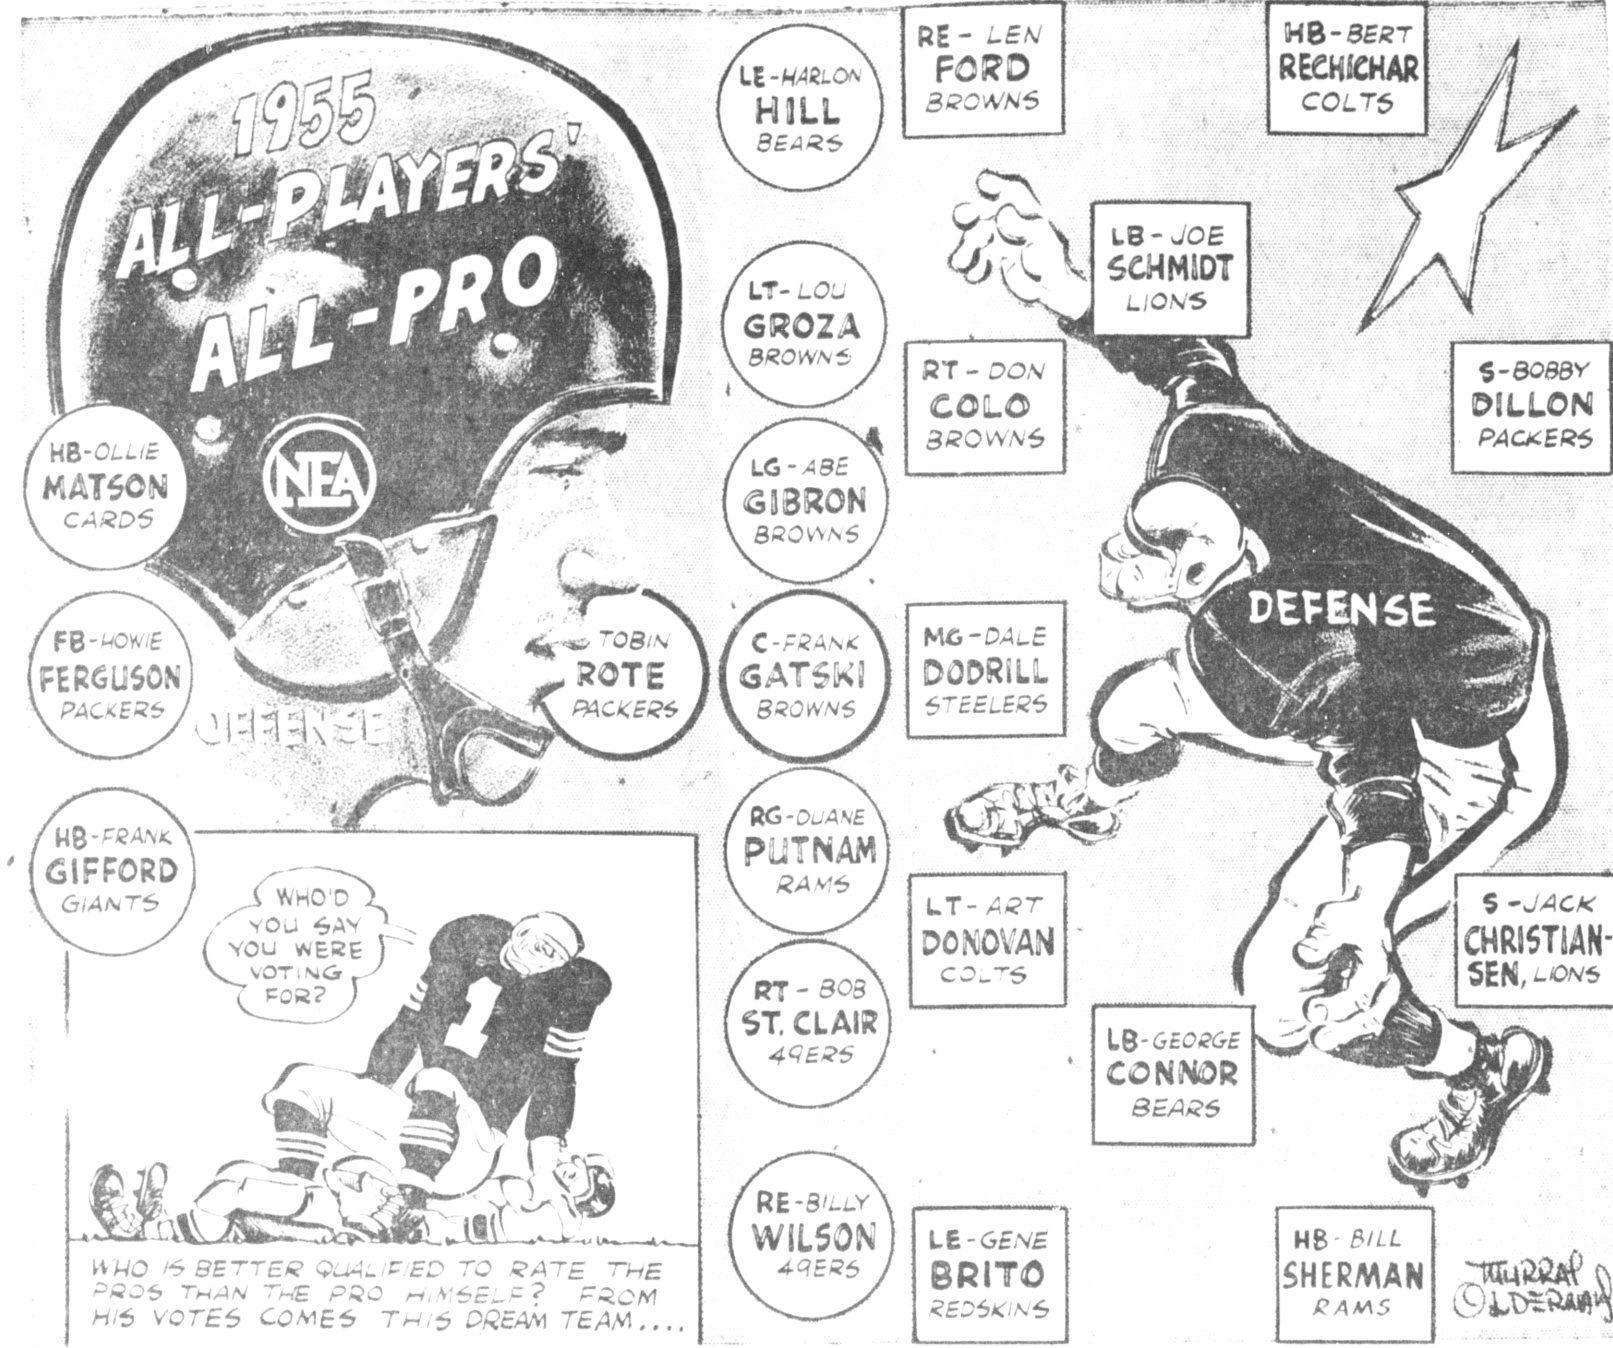

CHICAGO (P) — John "Buck" O'Neil, one of Negro baseball's all-time greats, Monday was appointed a scout by the Chicago Cubs.

Wid Matthews, Cub personnel director, said O'Neil, 44, "will scout all colored high schools, colleges and leagues for the Cubs."

O'Neil had been player-manager of the Kansas City Monarchs for the last eight years.

Matthews said O'Neil sent more than 40 players into professional baseball. Included in this number were such stars as the Cubs' fancy doubleplay combination of Gene Baker and Ernie Banks, infielder Hank Thompson of the New York Giants, catcher Elston Howard of the New York Yankees and pitcher Connie Johnson of the Chicago White Sox.

Passing must be passed at Tulane. When the Greenies defeated Georgia 14-0 this year they did not complete a pass.

Jim Trimble Fired As Coach Of Eagles In NF Pro League

PHILADELPHIA (P) — Jim Trimble Monday was fired as head coach of the Philadelphia Eagles of the National Football League.

Frank McNamee, president of the Eagles, made the announcement in a statement handed to reporters in the club offices.

McNamee said: "We consider it in the best interests of the Eagles' football team to make a change in the coaching staff. Mr. Trimble has a contract which runs more than a year, which of course will be honored."

Trimble, 37, who came to the Eagles as a line coach under the late Bo McMillin in 1951, became head coach Sept. 9, 1952. He directed the Eagles to second-place finishes in 1952, 1953 and 1954.

This year, with a club favored to win the NFL's eastern division title, the Eagles wound up tied for fourth place with the Chicago Cardinals. The club won four, lost seven and tied one.

Howard (Hopalong) Cassidy, All-America halfback at Ohio State, dominated the Western Conference football individual statistics for 1955. He led in yardage, scoring and kick-off returns.

Tigers Win Over Routt 63-45 In PMBC Tilt

The I. S. D. Tigers jumped into the lead five minutes after the opening tipoff to down the Routt Rockets last night 63-45 in a PMBC conference game.

I. S. D. had the height man for man, but the Rockets held their own under the backboards until the second half.

In the first quarter with the score deadlocked 9-9, Zachariasen hit a 15 foot jump shot to give I. S. D. a lead they never lost. As the first period ended Routt was behind 17-9.

When play resumed in the second quarter Mehring was the big difference. Routt could never catch the flying Tigers. John Coop was fouled as the horn sounded to end the first half, and his free throw went good, giving Routt 20 tallies to I. S. D.'s 32.

In the third period it was the Tiger's fine defense by Schultz and Zachariasen that prevented Routt from scoring many markers. Routt changed from a zone defense to a full court press late in the third period but to no avail.

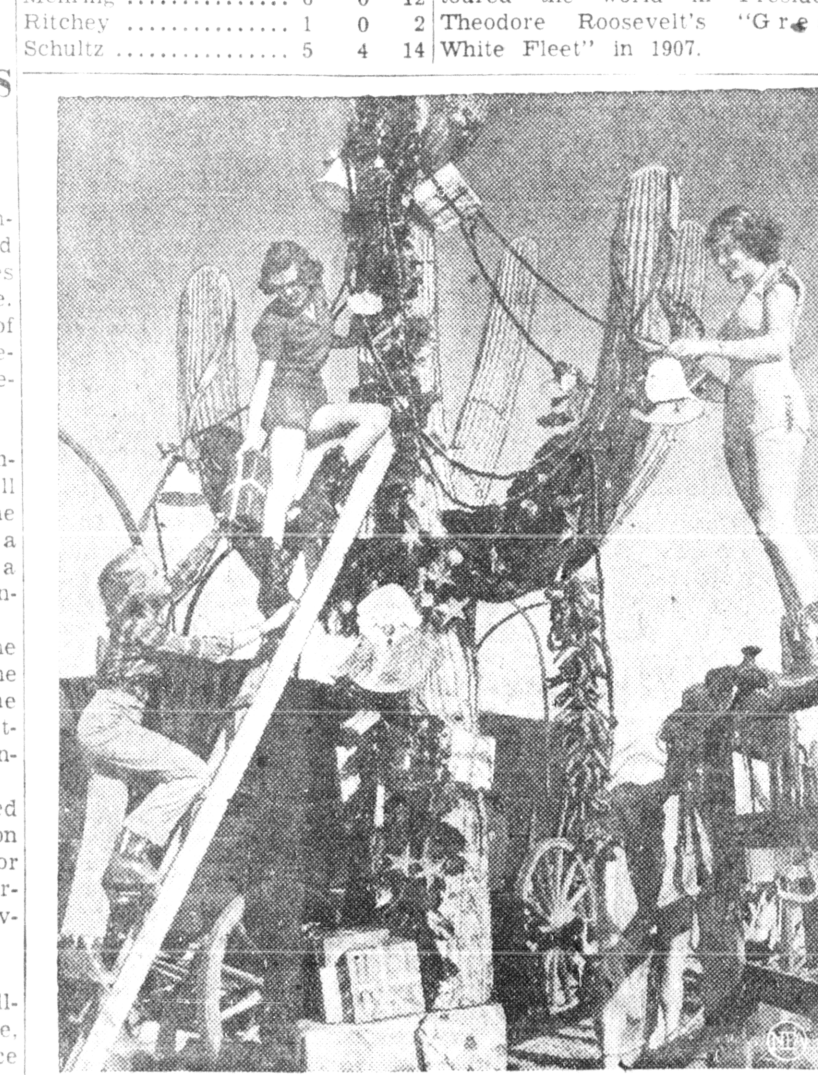

The Rockets began hitting early in the fourth quarter as DeVore and Dee found the range to put Routt within 10 points. Al Duncan came into the Tiger lineup and there was no stopping his fine passing and floor work on the fast break to insure coach Jim Spink's boys their 7th win of the season.

Four players hit the double scoring column for the Tigers but Schultz led the Spinkmen with 14 points. Phelps, Mehring and Zachariasen netted 12 apiece.

Jim DeVore again displayed his fine marksmanship hitting 19 tallies for coach Larry Zitkus' Rockets.

In the preliminary, Higdon had 14 points as I. S. D. won 47-44.

FOREWARNED

ESCANABA, Mich. (P) — A three-point buck leaped 30 feet to its death through a door of the post office at nearby Masonville.

No one could explain the incident—except that it happened on the eve of the bow and arrow deer hunting season.

STILL ON SKATES

MINNEAPOLIS (P) — Glen Sommer, former star left wing of the Cleveland Barons in the American Hockey League, coaches freshman hockey at the University of Minnesota. In addition he assists in the varsity coaching.

New York Athletic Commission Bans N.Y. Boxing Guild

By JACK HAND

NEW YORK (P) — The Boxing Guild of New York was outlawed, in effect, by the New York State Athletic Commission Monday in a sweeping move that could mean the end of boxing in New York if the managers refuse to yield.

Julius Helfand, commission chairman, climaxed a nine-month inquiry in the sport by delivering a nine-page decision, blasting the guild for its "vague and shadowy" activities and its "monopolistic practices."

Helfand, speaking for himself and absent Commissioner Bob Christenberry, said "the Boxing Guild of New York, affiliated with the International Boxing Guild, is a continuing menace to the integrity of boxing in this state."

He said membership in the guild is "an act detrimental to the interests of boxing."

An amendment to the commission rules, to be passed Wednesday by Helfand and Christenberry, the two members, sets a Jan. 15 deadline for managers to sever their guild membership. After that date, membership shall be grounds for a license to be revoked or suspended.

Guild officials reacted sharply to Helfand's announcement. At San Francisco, Charley Johnston, president of the guild, was indignant.

"What's wrong with the managers having an organization to protect themselves?" he asked.

Johnston also is manager of light heavyweight champion Archie Moore, featherweight champion Sandy Saddler and Eduardo Lausé, a high-ranking middleweight contender.

Managers of most of the champions and high-ranking fighters are guild members. Al Weil, manager of heavyweight champ Rocky Marciano, who is a member of the New York guild unit said in Rochester, Minn. he had no immediate statement but would "look into it."

"This definitely will be the end of boxing in New York," said one manager who didn't wish to have his name used. "Helfand can't put the guild out of business. That would just turn us over to the mercy of the promoters. We fought hard to get the television money up from \$212 to \$4,000 and we're not going to walk away from all we fought for."

It was not known whether other states would go along with the New York commission.

In Chicago, Lou Radzienda, president of the National Boxing Assn., said "I will have no comment until I receive the official directive of the New York state athletic commission."

Most of the Friday televised fights originate in New York, unless the Garden is booked for other events, but almost all of the Wednesday TV fights are held in other cities.

Detroit Bowler, Fazio, Rolls 109 In All Star Match

CHICAGO (P) — Basil "Buzz" Fazio of Detroit registered one of the lowest games in the history of the National All-Star Bowling Tournament Monday when he shot a 109 game.

The 109 came in his second game of a six-game block after Buzz had opened with a 233 effort.

The captain of the famous Strohs team of Detroit started off the second game with a spare in the first frame and a strike in the second. Then the roof fell in.

Fazio, who has been a finalist four times, ran into a split in the third frame. He missed in the fourth and then hit splits in the fifth and sixth. A miss in the seventh preceded three straight splits in the eighth, ninth and tenth frames.

Peoria Cats 85, Akron Goodyear 63

PEORIA, Ill. (P) — The Peoria Caterpillars stormed to an 85-63 National Industrial Basketball League victory Monday night, avenging a one-point loss to Akron Goodyear Sunday.

The triumph squared the Cats' record for the year at 1-1 while Akron suffered its first loss in four games. Akron defeated Peoria, 64-63, Sunday.

Jim Lamkin of Peoria grabbed scoring honors with 23 points while Hank Daubenschmidt was high for Akron with 16.

Colorado Wins Over Iowa 60-57

BOULDER, Colo. (P) — Colorado University, defending Big Seven conference basketball champion, defeated Iowa's Big Ten titleists 60-57 here Monday night before 6,800 fans.

Olson visited his wife and four children at their suburban Hillsborough home Sunday. After the visit Mrs. Olson, who filed divorce action last month asking \$2,000 monthly support money and division of \$200,000 in property, said she and the ex-titlist were "going to see what we can do about our own case."

Purdue Gives Jack Mollenkopf 3 Year Contract

LA FAYETTE, Ind. (P) — Kenneth (Jack) Mollenkopf, whose powerful lines made

New York Stock Market

NEW YORK (AP)—Selling persisted in the stock market Monday and mounted in intensity just before the final bell to push prices down all around.

There was no acute pressure at any time, but many leading stocks were at their lows at the close. The fall carried prices off \$1 to \$4. At the same time there were gains of \$1 to \$2 and more. Losses outnumbered gains more than two-to-one.

All divisions of the market were engulfed by the selling, but resistance was found in the coppers, railroads and aircrafts.

Before the opening of the market, Wall Street sources said they expected some selling to develop as a result of the latest report on the state of President Eisenhower's health. His physicians ordered him to slow down his work pace.

The Associated Press average of 50 stocks declined \$1.40 at \$179.90. That is not too far under the record high of \$181.50 set Sept. 23 and again a week ago Monday.

The industrial component of the average lost \$2.40, rails were off 70 cents, and utilities were off 30 cents.

Volume amounted to 2,510,000 shares. There were 2,660,000 shares traded in Friday's slightly lower market.

The American Stock Exchange was generally lower on volume of 960,000 shares as compared with 1,250,000 shares Friday.

New York Bond Market

NEW YORK (AP)—Convertible issues declined Monday, pulling the bond market lower.

U. S. Treasury securities shaded off in the over-the-counter market in quiet trading. Weakness was concentrated in the intermediates.

Corporate volume increased to \$4,400,000 par value from \$3,660,000 Friday.

WHEAT, RYE END WITH FAIR GAINS

By WILLIAM FERRIS

CHICAGO (AP)—Wheat ended with fair-sized gains on the Board of Trade Monday after a slow, steady climb throughout the session. Rye moved ahead with wheat.

In other grains quite a bit of irregularity prevailed. However, soybeans closed firm on a late rally. Feed grains ended mixed although a majority of contracts were higher, after selling below the previous close most of the day.

Wheat closed 3/4-1 1/4 higher, corn 1/4 lower to 1/2 higher, oats 1/2 lower to 3/4 higher, rye 1 1/4-2 1/2 higher, soybeans 1/2-1 1/4 higher and lard 12 to 20 cents a hundred pounds higher.

Potential export business provided the main stimulus in wheat. Greece is expected to take three million bushels of hard wheat and Egypt six million bushels of hard and soft wheat this week. West Germany and Brazil also may be in the market.

The administration was said to be considering favorably a request by church groups that farm surpluses be made available to them for relief distribution abroad. It was said 10 million bushels of wheat will be released from government stocks for this purpose.

Potential export business also was a factor in the late rally of soybeans. Japan is expected to receive offers on 816,000 bushels Saturday with Formosa getting offers on one million bushels next Monday. Both soybean oil and meal held unchanged in the cash market.

Corn suffered largely from a lack of demand. Hedging was not heavy as cash receipts totaled only 243 cars, not a large number for a Monday. Prices were a little easier in the cash market.

Another break in hog quotations was upsetting to corn. Grainmen noted Agriculture Secretary Benson had appealed to farmers to reduce their 1956 spring pig crop.

CHICAGO LIVESTOCK MARKET REPORT

CHICAGO (AP)—Hogs were back to around 14-year low levels Monday as both butchers and sows dropped 25 to 50 cents in a slow market. Final prices on butchers were off the full 50 cents.

Arrivals were heavy, totaling 27,000 salable head. Buyers obtained most 180 to 220-pound butchers at \$10.50 to \$11.50, reaching up to a top of \$11.75 for 100 head. This equaled the 14-year low top set last week.

Butchers scaling 230 to 260 pounds went at \$9.50 to \$10.50 and 270 to 310 pounds at \$9.00 to \$9.50. Sows mostly brought \$7.75 to \$8.75 with a few light weights at \$9.00.

Receipts also were very heavy in the cattle section, totaling 27,000 salable head. That was the second largest run of the year, being exceeded only by 29,000 head on Nov. 9.

Steers and heifers sold steady to 50 cents down. One load of high prime steers set a top at \$24.50. Choice and prime went at \$18.00 to \$22.50. Choice heifers brought \$18.50 to \$20.50 and high choice and prime \$21.00 to \$22.00.

Cows sold steady at \$8.75 to \$10.50 for utility and commercial and \$7.50 to \$9.25 for canners and cutters. Vealers were steady at \$20.00 to \$25.00 for good to prime and \$10.00 to \$19.00 for cull to commercial.

Salable sheep totaled 3,000. All classes held steady. Buyers paid \$17.50 to \$19.00 for good to prime woolled lambs.

MARKETS AT A GLANCE

NEW YORK (AP)—

Stocks — Lower; decline moderate.

Bonds — Irregular; government decline.

Cotton — Mixed; commission house selling.

700 Delinquents Face Arrest For Failure To Pay City Wheel Tax

An immediate crackdown on car and truck owners who have not paid wheel taxes and obtained stickers was ordered by the city council last night after reports by Alderman Hall of the finance committee and Alderman Fitzsimmons of the police committee.

Hall, chairman of the finance committee, estimated that 700 vehicle owners failed to meet the Dec. 1 deadline and are delinquent to an aggregate amount of about \$3,800.

The wheel tax stickers for the current year went on sale in October and a large majority of owners procured them within a few weeks.

"We are going to make every possible effort to collect these delinquent taxes," Alderman Fitzsimmons asserted. "I will confer with Chief of Police Flynn tomorrow, after which arrests will be made."

May Buy Salt Spreader

With all members of the council responding to roll call, one of the first items of business to be considered was the purchase of a salt spreader to be used by the highway department for ice and snow control. Avery Smith of the Illinois Road Equipment Co., Springfield, distributed literature describing such a device and discussed its operation. The spreader is attached to the rear of a truck.

Smith said the spreader sold by his company scatters 350 pounds of salt per mile over an 18 foot width, distributing it much more efficiently than by hand. He quoted prices of \$510 for one type and \$545 for another type. The council

took the proposed purchase under consideration.

City Clerk Phillips read a petition of James H. Lakin, Mildred Lakin and Chester L. Blakeman, asking a change of zone classification of lots in Church hill's addition on the west side of South Main street, north of Richards street. The petitioners asked that the lots be rezoned for commercial use. The property is immediately north of the corner where a new service station is being built. Mayor Hoarland referred the petition to the Plan Commission for hearing.

Approve Partial Rezoning

A report of the Plan Commission on the petition of Edith M. Weems and others to change from Class D Multiple Dwelling to Class E Commercial several lots on West Court street, west of Alley A, was read by City Attorney Bellatti. This petition would rezone the five houses on the north side of West Court.

The Plan Commission, which held a hearing Dec. 1 at which no objections were filed, pointed out in its report to the council that West Court street is under the five year plan of street improvements, and that widening may be accomplished within a few years. In view of this the Plan Commission recommended that the north half of the property be rezoned as requested, but that the south half of the property remain as presently zoned until after the street improvement is completed.

An ordinance calling for the change in zone was read by City Attorney Bellatti after motions by Aldermen Fitzsimmons and Sims, and laid over until the next meeting.

A report that Lake Jacksonville is 11 feet, 4 1/2 inches below the Spillway level was made by Alderman Goodey, who said this represents a drop of two inches within the past month.

N. J. Butler, superintendent of public utilities, said a mixture of lake and river pipe line water is now being used at the filtration plant and that the taste has been improved.

Alderman Kelly of the highway committee said an old street sweeper purchased in 1942 had been stored for several years at the pumping plant on East Superior avenue, and that despite a series of advertisements in trade magazines the city has been unable to sell it. He asked authority of the highway committee to salvage the sweeper.

"I was the first man to drive that sweeper," Alderman Francis Allen recalled, "and I'll be the first to move that it be salvaged." Alderman Scott added his second, after which the council took action.

Three ordinances came up for final reading and all were passed unanimously.

The ordinance raising the number of Class C liquor licenses from four to five was adopted on motions of Alderman Rowe and Fitzsimmons.

Rezoning lots at the northeast corner of South Main and Bissell streets was accomplished in an ordinance moved along by Aldermen Fitzsimmons and McHatten.

The block on South Church street between Morgan street and College avenue was rezoned for commercial purposes in an ordinance which passed on motions by Aldermen Souza and Greenlee.

Hold Yates Rites At New Berlin

Final rites for Mrs. Christina Yates were held at 2 p.m. Monday at the McCullough Funeral Home in New Berlin with Dr. McKendree M. Blair of the Island Grove Methodist church officiating.

Piano selections were played by Mrs. Fred Preston. Ladies who cared for flowers included Mrs. Ralph Herr, Mrs. Warren Walter, Mrs. E. J. Erickson, Mrs. Guy Hanner, Mrs. Cortez Jones, Mrs. Wesley Flood, Mrs. E. T. Bergschneider and Mrs. Gottlieb Meyer.

The pallbearers were Harold Hanner, Burch Yates, Wesley Flood, Elmer Roesch, Cortez Jones and John Blount. Interment was made in Woodridge cemetery.

TO CONDUCT INQUEST
Justice of the Peace Charles Warzard will conduct an inquest Tuesday night at 7:30 o'clock at the Schaeffer Funeral Home in Meredosia into the death of Mrs. Pearl Allen, who was fatally injured recently in an auto accident near here.

The Choir has prepared an impressive and appropriate program under the direction of the chapel director, Ruth M. Bellatti. Dr. Joseph W. Baus is the College chaplain.

Mrs. Elsie Gibbs Dies Monday After Lengthy Illness

Mrs. Elsie Gibbs, wife of the late Jesse L. Gibbs, died early Monday morning in Jacksonville following an extended illness. Before her illness Mrs. Gibbs lived at 415 North Church street.

She was born Oct. 30, 1884 at La-tour, Missouri, the daughter of Horace and Eliza Jane Smithson Martin. Her husband preceded her in death a number of years ago. She is survived by two brothers and one sister, Herman Martin, Jacksonville; Harry Martin, Lincoln, Neb.; and Mrs. Esther Davis of Fort Worth, Texas.

The deceased was a member of the Winchester Baptist church.

The body was taken to the Cunningham funeral home at Winchester where the family will meet friends from 7 to 9 p.m. Tuesday. The remains will then be sent to Fort Worth, Texas, where services and interment will take place.

W. O. Newberry, Waverly Resident, Dies Monday

W. O. Newberry, a resident of the Tush Nursing Home in Waverly for the past several years, died at noon Monday at Passavant Hospital in Jacksonville, where he had been a patient since Friday.

He was born Sept. 7, 1870, in Kansas, the son of the late W. C. and Belinda Rankin Newberry. He is survived by two sisters, Mrs. Stella Elliott of Waverly and Mrs. Bertha Tosh of Girard and two stepsons, C. I. Ford of Decatur and Nelson Ford of Springfield and one stepdaughter.

He was preceded in death by his first wife, Ada Hart, who died in 1900. He then remarried and his second wife, Flora Moore Ford, preceded him in death in 1952.

Funeral services will be Wednesday at 2 p.m. at the Baptist church in Waverly with the Rev. Henry Spencer of Central Baptist Church in Jacksonville officiating.

Burial will be made in the Waverly cemetery.

David Horney Of White Hall Dies Monday

David Horney, 60, of White Hall, died at Passavant Hospital in Jacksonville, where he had been a patient since Dec. 7.

He is survived by his wife, the former Hazel Hartley, four children, David Horney, Mrs. Leona Hanson, Darlene Horney and Celia Ann Horney, and four grandchildren, all of White Hall.

The deceased was a member of the Pentecostal church and was an employee of the LaCleda-Christie company.

The body is at the Dawdy Funeral Home in White Hall. Funeral services will be held at the Pentecostal church at 2 p.m. Wednesday with the Rev. C. C. Rigdon officiating.

Burial will be made in White Hall cemetery.

Funeral Monday For Mrs. Ayres

Funeral services for Mrs. Alice McAvoy Ayres, former Jacksonville woman who died at St. Louis, were held at 8:30 Monday morning at the Church of Our Saviour.

Requiem High Mass was celebrated by the Reverend Father Anthony Cepanis.

Casket bearers were Frank Kiloran, James Magner, Thomas Mandeville, Leo Clancy, Ralph Withee, Edward Blessie, James Wall and Byron Lewis. Interment was made in Calvary cemetery.

The program to be presented is: prelude, "A Lovely Rose is Blooming," processional hymn, Adeste Fideles, Carol Introit and Call to Worship, "This is the Day."

The Prophecy from Isaiah, "O Come, O Come Emmanuel," "Lo, How a Rose E'er Blooming."

Bethlehem from the book of St. Luke, students singing, "O Little Town of Bethlehem," "Christ was Born on Christmas Day," "Sleep Little Dove" and "Carol of the Bells."

The Shepherds from St. Luke, hymn with students singing, "The First Noel," "Come, Good Christians All," "Sing Noel" and with group accompaniment, "It Came upon a Midnight Clear."

"Cradle Song of the Shepherds," "What Child is This?"

The Kings from St. Matthew followed with "Kings of Orient," "O'er Bethlehem's Plains," "Wonder! Wonder!" prayer of dedication, "O Jesu Sweet, O Jesu Mild" with benediction, "Silent Night, Holy Night." The recessional

hymn will be "Hark the Herald Angels Sing."

The public is invited to attend. On Wednesday evening, Dec. 14, members of the Chapel Choir will present in part this program at the Illinois Braille and Sight Saving School as part of the Christmas program given at the school annually by the local Lions club.

Members of the choir are: sopranos, Sandra Bonjean, Mignon DuBois, Kay Harmon, Lois Meyer, Nancy Orr and Carol Shaffner; altos, Irene Bonacorsi, Sharon Dowland, Pamela Wheeler and Barbara Munk; tenors, Joe Harrell, John Jackson, Kurt Steiner and Alan Taeer and basses, Edward Foreman, Wayne Jewsbury, George Monto and Don Pruitt.

Members of the choir having solo parts in the service who are from this community are: Joe Harrell, Edward Foreman, John Jackson, Jacksonville; Wayne Jewsbury of Franklin; Sandra Bonjean, Jacksonville; Kay Harmon of Beardstown; Kurt Steiner, Chicago; and George Monto, Springfield.

More than 700 farmers in the 20th congressional district who filled out Cong. Sid Simpson's questionnaire favor a government farm program, and 179 were against it.

More farmers who replied to the questionnaire did not comply with the corn and cattle program, than those who did.

as a basic crop? Yes 382, No 460
Do you believe in control of diverted acres? Yes 477, No 379
Do you favor rigid or flexible supports? Flexible 343, Rigid 386

On the question of whether the farmers favored rigid or flexible supports the tally was 386 for rigid supports; 343 for flexible. A total of 138 persons did not answer this question; 86 said they didn't know.

Cong. Simpson announced results of his survey as follows:
Do you comply with any farm legislation (program) now? Yes 680, No 248
If eligible, did you vote at the wheat election? Yes 403, No 339
Did you comply with the corn program? Yes 414, No 486
Do you want Government help on hogs and cattle? Yes 410, No 438
Are you a dairy operator? Yes 178, No 726
Do you want Government help on dairying? Yes 163, No 437
Are you in favor of any farm program? Yes 706, No 179
Are you in favor of soil conservation and help? Yes 742, No 148
Do you want soybeans included

Norris Taylor Of Bluffs Dies; Funeral Tuesday

Norris Taylor of Bluffs died at 11:50 p.m. Saturday night at the Passavant hospital where he had been a patient since the preceding Tuesday.

Mr. Taylor, who was a laborer, had been in failing health for the past several weeks.

He was born Aug. 15, 1872, in Winchester the son of William W. and Mary E. Holloway Taylor. Most of his life was spent in Scott county with the exception of living a short while in the states of Arkansas and Oklahoma.

He was first married to Florence Thompson and they became the parents of one son, Claude. She preceded her husband in death as did the son, in 1927.

He then married Mrs. Dessie Avey in 1922 and she survives with two stepsons, Arvel Avey of Springfield and Vernon Avey of Dayton, Ohio. There are six grandchildren and one brother, Ira Taylor of Canton. One brother and one sister preceded Mr. Taylor in death.

The body was taken to the Bates funeral home at Bluffs. Services will be held at 1:30 p.m. Tuesday at the Bluffs Methodist church with Rev. K. R. Douglas assisted by Rev. Harold Dodson officiating. Burial will be made in the Hillcrest cemetery.
